2015-16 FRESNO COUNTY CIVIL GRAND JURY CONSOLIDATED FINAL REPORT AND RESPONSES

The 2015-16 Fresno County Civil Grand Jury has issued its Consolidated Final Report with Responses requested to each individual report issued throughout its term ended June 30.

The 2015-16 Grand Jury's investigations were detailed in the following:

- Report 1 assessed the Fresno County Department of Public Health's response to sexually transmitted diseases, a growing concern nationwide.
- Report 2 was an in depth review of the Selma Unified School District Board of Trustees' actions over two years, which had caused division in that community.
- Report 3 investigated misrouted emergency medical calls, concluding that there were few and that better interagency cooperation will help resolve the issue.

The report may be accessed electronically on the Fresno County Superior Court website by using the following link:
