In order to allow sufficient time for appropriate review, any letter protesting the proposed award to the apparent low bidder is to be submitted no later than seven (7) calendar days after the posting of the bid results on the Department of Public Works and Planning's website. In order to allow full and fair consideration of the issues and a reasonable opportunity for the apparent low bidder to respond, the protest letter shall set forth in detail the basis for the protest. Any issues raised in the protest letter will be determined by the Board of Supervisors at the date and time scheduled for its consideration of the recommended award.
