2. Bid Submission – Jennica Geddert

- There is no pre-qualification process for this project.
- The best way to deliver your bid paperwork is to email the tracking numbers to DesignServices@fresnocountyca.gov
- The office is open to accept bid bonds and bids so you may also hand deliver your bid.
- Make sure your DIR registration is up to date and paid or your bid will have to be rejected.
- Make sure your bid bond is submitted with the bid or before the bid opening deadline. We will not have a standard practice of asking the Board to waive the requirement to submit the original bid bond before the deadline. Prior allowances were specifically in relation to the COVID-19 state of emergency, which the Board has now lifted for Fresno County.
- Submit questions about the project using the Request for Clarification Form

3. Bid Express – Jennica Geddert

A presentation demonstrated how to set up a Bid Express account, how to access Bid Express support staff, how to use Bid Express to submit a bid on a project.

Oral explanations or interpretations of plans and specifications are not binding. Any explanation, interpretation or clarification of plans and specifications will be in the form of a written addendum to the plans and specifications issued to the planholders of record.

It is the Contractor's responsibility to ask any questions he/she might have regarding this project. No allowance will be made after the bids have been received for any errors or omissions due to any misconceptions made by the Contractor.
