\* PAF is the Partnership Assessment Form given to FSP clients when they are first admitted into the program. The LOCUS provides an objective measure to help determine client service needs. It also provides a way to measure client progress and treatment outcomes. A higher score indicates a higher level of service need.

## **Supportive Housing:**

- 83 clients were assisted with locating and securing housing.
- 56 clients received housing subsidy funding.\*
- 22 clients were successfully transitioned to independent permanent housing.
- 4 clients transitioned to MHSA permanent supportive housing projects.

\*Not all clients require housing services. Clients with sufficient income are assisted with locating affordable housing.
