

FRESNO COUNTY DEPARTMENT OF BEHAVIORAL HEALTH - OUTCOMES

PROGRAM TITLE: Transitional Age Youth (TAY) Program **PROVIDER:** Turning Point of Central Ca., Inc.

PROGRAM DESCRIPTION: The Transitional Age Youth (TAY) Program is an outpatient FSP mental health program serving up to 149 young adults ages 16-25 in the community. The TAY Program offers recovery oriented mental health services that provide consumers with opportunities to utilize their strengths and abilities to gain independence and self-sufficiency in the community. The program supports young adults in their own environment with life transitions and empowers them to achieve their goals at their pace. The TAY clinic is a community based drop-in center that provides a safe and welcoming environment, designed to foster engagement.

Services Provided: 24/7 crisis response; mental health services; psychiatric and nursing services; rehabilitation services focusing on life skills and symptom management training; case management services (including attainment of eligible benefits, housing assistance, Medi-cal benefits, transportation assistance, general relief assistance, and other identified community resource needs). Basic psychiatric and associated medical issues are addressed while providing linkages to primary care physician coverage.
