Fresno County COVID-19 Update

News Directors, Assignment Editors, and Reporters are invited to attend and participate in a brief informational session by the Fresno County Department of Public Health (FCDPH) to aid in coverage of COVID-19 (Novel Coronavirus).

Health officials will provide information about the virus, including what it is, current local status, efforts to coordinate and prepare, and accurate messaging for the public.

This is intended as an informational briefing with an opportunity for future collaboration. It is NOT a press conference or traditional media availability; however, officials will be available for one-on-one interviews following the briefing.
