### COUNTY MAINTENANCE DISTRICT 2 WESTERN WASTE INDUSTRIES PARCEL MAP 7385

FISCAL YEAR 2023-2024

Submitted By: DEPARTMENT OF PUBLIC WORKS AND PLANNING

Prepared By: RESOURCES DIVISION

Maintenance District 2 (MD 2) was formed on June 7, 1994, with the first budget in FY 1995-96 for the maintenance of 0.09 miles of private roadways. It is located on Jefferson Avenue between State Highway 99 and Golden State Boulevard. It encompasses Parcel Map 7385 and contains 15.67 acres subdivided into 4 parcels.

#### PROPOSITION 218

Prior to formation of MD 2, the Board of Supervisors accepted the Engineer's report and a public hearing was conducted in accordance with Proposition 218 provisions.

#### **MAINTENANCE**

No major roadwork was completed in FY 2022-23. For FY 2023-24, no work is planned but the Zone increased appropriations as a contingency for any unforeseen maintenance costs.

#### **COUNTY MAINTENANCE DISTRICT 7**

FISCAL YEAR 2023-2024

Submitted By: DEPARTMENT OF PUBLIC WORKS AND PLANNING

Prepared By: RESOURCES DIVISION

Maintenance District 7 (MD 7) was formed on August 12, 2008, with the first budget in FY 2009-10. MD 7 is located near Golden State Avenue and Jefferson. MD 7 contains 32 parcels one of which is a ponding basin that does not get charged and encompasses Parcel Map 8020, which consists of 32 parcels and was formed to provide maintenance of the approximately 0.79 miles of roadways.

#### PROPOSITION 218

Prior to formation of MD 7, the Board of Supervisors accepted the Engineer's report and a public hearing was conducted in accordance with Proposition 218 provisions.

#### **MAINTENANCE**

No major roadwork was completed in FY 2022-23. For FY 2023-24, no work is planned but the Zone increased appropriations as a contingency for any unforeseen maintenance costs.

### COUNTY SERVICE AREA OV VAN NESS BOULEVARD ESTATES LIGHTING DISTRICT 1 & 2

FISCAL YEAR 2023-2024

Submitted By: DEPARTMENT OF PUBLIC WORKS AND PLANNING

Prepared By: RESOURCES DIVISION

The Van Ness Boulevard Estates Lighting District (CSA OV) was formed in 1962 to provide street lighting for the residential area south of Herndon Avenue, along the west side of Van Ness Boulevard. Lighting is provided by a contract with PG&E. There are 251 parcels in CSA OV.

#### ANNUAL CHARGE FOR SERVICE

The first step of the Proposition 218 process to increase annual fees to \$33.00 per parcel for FY 2006-07 was conducted on November 14, 2006. There was "no majority protest" received. The ballot hearing, which is the second step of the Proposition 218 process for CSA OV, was conducted and approved by property owners and adopted by the Board of Supervisors on January 9, 2007. The increased fees were implemented in FY 2006-07. CSA OV fees, pursuant to the approved rate structure, are subject to an annual inflation increase not to exceed 3%. In FY 2021-22 staff began to increase appropriations to allow funds for repairs and replacements due to PGE and the Public Utilities Commission approving a category rate change, which enable PGE to remove CSA OV lights from their ownership and maintenance responsibility.

#### COUNTY WATERWORKS DISTRICT 37 AUBERRY ROAD, WEST OF ALDER SPRINGS (MILE HIGH)

FISCAL YEAR 2023-2024

Submitted By: DEPARTMENT OF PUBLIC WORKS AND PLANNING

Prepared By: RESOURCES DIVISION

Waterworks District 37 (WWD 37) was established in 1961 to provide community water for the subdivision known as Mile High, near Meadow Lakes, and includes a portion of Bald Mountain Road near Auberry Road. The subdivision contains 46 residential lots, of which 45 are developed. There is 1 Out-of-District water user.

#### FY 23-24 Budget

The FY 23-24 budget includes all available reserve funds for possible repairs and to cover the costs of the anticipated rate adjustment proceeding.

#### **PROPOSITION 218**

The current rate structure was adopted pursuant to Proposition 218 requirements on June 3, 2014, with fees becoming effective on July 1, 2014. Fiscal Year 18-19 was the last fee inflation increase associated with the 2014 Proposition 218. However, the District expenses continue to rise due to aging infrastructure and needed repairs. A Proposition 218 hearing is anticipated in FY 23-24.

#### COUNTY WATERWORKS DISTRICT 38 SKY HARBOR SUBDIVISION (MILLERTON LAKE PARK ESTATES)

FISCAL YEAR 2023-2024

Submitted By: DEPARTMENT OF PUBLIC WORKS AND PLANNING

Prepared By: RESOURCES DIVISION

Waterworks District 38 (WWD 38) was formed in 1965 to provide community water and sewer for the Sky Harbor subdivision, also known as Millerton Lake Park Estates. WWD 38 is located approximately six miles north of where Sky Harbour Road begins from Millerton Road. The subdivision contains 230 parcels, of which 65 are connected and served by a water meter and 63 are connected to sewer. In addition, there is one Out-of-District user of water and sewer services, the South Fine Gold Picnic Area, which is part of the Millerton Lake State Recreation Area.

Monthly fees for water services are billed on a bi-monthly basis. All water services in the subdivision are metered. There is a base rate for the service and rates for the additional water consumption. There is no adjustment for inflation. WWD 38 also receives a portion of property tax revenues from the State.

The wastewater treatment facility is more than 40 years old. The system needed replacement because its components are at the end of their life cycle. Staff secured a State Revolving Fund (SRF) loan for \$600,000 and a grant for \$130,000 to replace the outdated components. Construction was completed in FY 19-20.

In FY 2018-19, it was required to get the WWD No. 38 potable water tank inspected. The tank was found to have severe corrosion and rust on the inside of the tank, prompting conversations with the WWD No. 38 Citizens Advisory Committee (CAC). Staff, with CAC approval, conducted an RFQ and had the inside of the tank repaired (sand blasted and coated) at a cost of \$121,748. The repair cost of the tank also included multiple safety items (assess safety ladder upgrade with self-closing gate, handrail, increase cage height, replace roof hatch, replace liquid level indicator, interior ladder, new vent to increase size of vent for compliance, and add multi-bolt manway) that needed to be replaced due to OSHA regulations. Additionally, the rental of potable water tanks was required to provide potable water during the repair. The cost of the rental was \$26,074, for a total cost of \$147,822.

#### **PROPOSITION 218**

A rate adjustment proceeding was held on June 18, 2013, in accordance with Proposition 218, for domestic water and sewer services imposing a \$200.00 assessment per year per parcel. Property owners of WWD 38 approved the proposal and the Board of Supervisors adopted the new assessment. During the procedure, the Board approved action to reduce the assessment imposed by Maintenance District 1 (MD 1) from \$200.00 to \$0 per parcel for all of the 229 parcels that were in MD 1 and moved to WWD 38. These actions kept the net amount charged to the properties served by WWD 38 the same as previously paid but allowed for additional financing options for improvements.

# COUNTY WATERWORKS DISTRICT 40 SHAVER SPRINGS

FISCAL YEAR 2023-2024

Submitted By: DEPARTMENT OF PUBLIC WORKS AND PLANNING

Prepared By: RESOURCES DIVISION

Fresno County Waterworks District 40 (WWD 40) was established in 1971 to provide community water and sewer for the Shaver Springs subdivision located east of Tollhouse Road, near the intersection of Tollhouse Road and Shaver Springs Road. There are 96 parcels, of which 69 are developed, 23 are undeveloped, and 4 parcels are tax exempt outlots. WWD 40 provides water to one out-of-district user.

### WATER PROJECT

WWD 40 continues to experience water quality and quantity issues. The County has been working closely with the Citizens Advisory Committee for WWD 40 to find a new water source that will meet the needs of the District. The Shaver Springs community authorized the County to purchase of an existing well in the area (HOA Well) in FY 2020-21. County staff submitted an application to the Department of Water Resources' small community drought relief program in January 2022, seeking financial assistance to try and find a clean sustainable source of water for the District.

# FY 23-24 Budget

The FY 23-24 budget includes all available reserve funds for possible repairs and to cover the costs of the anticipated rate adjustment proceeding.

## PROPOSITION 218

The current rate structure was adopted by the Board of Supervisors on January 9, 2007, pursuant to Proposition 218 requirements. The increased monthly fees became effective on March 1, 2007. However, the District expenses continue to rise due to aging infrastructure and needed repairs. A Proposition 218 hearing is anticipated in FY 23-24.

# COUNTY WATERWORKS DISTRICT 41 SOUTH OF SHAVER LAKE SEWER & WATER

FISCAL YEAR 2023-2024

Submitted By: DEPARTMENT OF PUBLIC WORKS AND PLANNING

Prepared By: RESOURCES DIVISION

Fresno County Waterworks District 41 (WWD 41) was formed in 1972 to provide community water and sewer for developing properties south of Shaver Lake located in Township 10. Subdivisions connected to the water and sewer systems include Ockenden, Ridge Top, Granite Ridge, Wildflower, Bretz Mountain and Timber Ridge. Since Zone 1 (sewer) does not serve all areas, separate budgets are provided for water and sewer.

Water and sewer user charges are collected on a bi-monthly basis and standby charges are collected annually along with property taxes.

# **MAINTENANCE**

With the Board's approval WWD 41 awarded Contract No. 19-17-C to Dawson-Mauldin, LLC, in the amount of \$2,895,759, program number 91166, for the replacement of approximately 2.5 miles of asbestos concrete water mains in March of 2020 and expected to be completed in FY 2021-22. WWD 41 allocated a total of \$3 million in funds in FY 2020-21 and FY 2021-22 to cover the costs associated with the pipeline replacement.

A boundary change and rate adjustment proceeding are proposed to be conducted for WWD 41W in FY 2023-24 as a method of building district reserves, which were severely depleted upon completion of the A/C pipe replacement project.

# FY 2023-24 BUDGET

The proposed FY 2023-24 water operating budget has been increased from the FY 2022-23 budget for preventative maintenance on equipment which includes generator maintenance, possible repairs, the cost of a water rate study and a rate adjustment proceeding. The proposed FY 2023-24 sewer operating budget has increased from the FY 2022-23 for potential sewer system updates.

# COUNTY WATERWORKS DISTRICT 42 ALLUVIAL AND FANCHER AVENUES

FISCAL YEAR 2023-2024

Submitted By: DEPARTMENT OF PUBLIC WORKS AND PLANNING

Prepared By: RESOURCES DIVISION

Fresno County Waterworks District 42 (WWD 42) was formed in 1972 to provide community water for the rural residential area located northeast of the intersection of Alluvial and DeWolf Avenues, and southeast of SR 168, east of the City of Clovis. WWD 42 currently serves 104 residential customers. Forty-three parcels within the area are not provided community water by WWD 42 as they are either undeveloped or served by private wells.

Currently all 104 residences have water meters, which were installed at the request of the Citizens Advisory Committee (CAC) in order to monitor water usage. The meters are not currently used for billing purposes as all customers are charged a flat rate for water use.

Water charges are collected on a bi-monthly basis.

#### PROPOSITION 218

The current rate structure was adopted pursuant to State Proposition 218 requirements on February 5, 2008, with the newly adopted rates becoming effective on March 1, 2008. The adopted rate structure left intact the collection of an annual Health Surveillance Fee of \$2.56 per year/per parcel, which is included on the property tax bill.

As identified in the Master Schedule of Fees, water charges are based on the size of pipe serving the residences. Currently all residences are served by  $1\frac{1}{2}$  inch connections.

On January 21, 2020, the Fresno County Board of Supervisors conducted a public hearing in accordance with State Proposition 218 concerning a proposed water service fee increase for WWD 42. As a result of a majority protest, the proposed fee increase was not passed and WWD 42's fees remained the same. In FY 2023-24, the district will continue exploring options for a new rate.

# COUNTY SERVICE AREA 1 TAMARACK ESTATES (WATER/SEWER/SNOW REMOVAL)

**FISCAL YEAR 2023-2024** 

Submitted By: DEPARTMENT OF PUBLIC WORKS AND PLANNING

Prepared By: RESOURCES DIVISION

County Service Area 1 (CSA 1) was formed in 1962 to provide community water, sewer, and snow removal services for the subdivision known as Tamarack Estates, located nine miles south of Huntington Lake. The subdivision contains a total of 45 lots, 39 of which are developed, 5 are undeveloped, and one contains a 10-unit motel.

Beginning in FY 06-07 the water and sewer service budgets were segregated from snow removal services. The water and sewer budget receives annual ready-to-serve assessments from both developed and undeveloped lots. The water and sewer budget also receives a portion of property tax revenues collected by the State. The snow removal budget receives annual assessments for both developed and undeveloped lots but does not receive a portion of the property taxes.

# **PROPOSITION 218**

# Water and Sewer

The Board of Supervisors adopted an increased water and sewer assessment on August 4, 2020 following a Proposition 218 ballot process.

#### Snow Removal

The Board of Supervisors adopted an increased snow removal assessment on October 7, 2014 following a Proposition 218 ballot process.

# ANNUAL SERVICE FEE

The 39 developed residential parcels and one (1) ten-unit motel are provided with water, sewer, and snow removal services. The benefit to each residential parcel is relatively equal as all are used as a single-family residence.

The total motel water/sewer service charge is 3.8 times the total rate for a developed residential parcel. The motel's rate is based on a comparison of the number of fixture units, as defined in the Uniform Plumbing Code, in the motel to the average residential unit within the District. The motel's charge for snow removal does not include snow removal services within the motel property boundary, only on the shared public roads.

## **GRANT**

In FY 22-23, the District was awarded grant funds for water infrastructure replacement. The project is still in the design phase – program number 91856.

# COUNTY SERVICE AREA 2 TENAYA ESTATES

FISCAL YEAR 2023-2024

Submitted By: DEPARTMENT OF PUBLIC WORKS AND PLANNING

Prepared By: RESOURCES DIVISION

County Service Area 2 (CSA 2) was formed in 1962 to provide requested services for the subdivision known as Tenaya Estates consisting of 142 parcels. The subdivision is located southeast of Fruit and Sierra Avenues. The services provided consist of maintaining a two and one-half acre park, 1,500 linear feet of walkway areas, and park and walkway lighting.

In May 2007, the property owners formed a public benefit corporation named "Tenaya Estates, Inc." for the purpose of maintaining the park. Beginning in FY 07-08, the County entered into an agreement with Tenaya Estates, Inc. (TEI) which allows TEI to oversee the operations and maintenance of the Park, with the County providing reimbursement of costs with CSA 2 funds. The agreement was renewed on August 10, 2010 and was amended on September 30, 2014 to extend the term of the agreement to ten years. The agreement was amended on April 26, 2016 and again on May 26, 2020, to increase the cost reimbursement for TEI to complete some major repairs needed at the Tenaya Park, and expires on June 30, 2024. County staff continues to administer the budget, which includes charges from Administration, County Counsel, General Ledger Accounting, and PeopleSoft Financial charges.

## PROPOSITION 218

On June 17, 2014, a rate adjustment proceeding was conducted. After the Board made a finding that there was no "majority protest" they adopted the increased assessment. The increase assessment was requested by the community in order to adequately cover the annual operations, maintenance expenses, and accumulate reserves that will allow the CSA 2 to conduct periodic replacement of major facilities.

As part of the adopted increased assessment there may be an annual maximum increase of 5% for inflation and to build reserves. The assessment will be presented to the Board of Supervisors annually in accordance with Proposition 218.

#### **GRANTS**

In FY 22-23, Coronavirus State and Local Fiscal Recovery Funds (SLFRF) program, which was authorized by the American Rescue Plan Act, allocated \$200,000 to CSA 2 for improvements to the Tenaya Park. Improvements are expected to be completed by September 30, 2024.

# COUNTY SERVICE AREA 5 WILDWOOD ISLAND

FISCAL YEAR 2023-2024

Submitted By: DEPARTMENT OF PUBLIC WORKS AND PLANNING

Prepared By: RESOURCES DIVISION

County Service Area 5 (CSA 5) was formed in 1963 to provide services to the subdivision of Wildwood Island. This District is located on the east side of the Kings River, approximately two miles northeast of Centerville, north of Piedra Road. In 1966, adjoining lands were subdivided as Wildwood Meadows, and annexed to the CSA 5 service area.

CSA 5 contains 156 parcels, 151 of which are single-family residential parcels (147 have been developed). Four lots remain vacant and five are unbuildable outlots. The outlots are not assessed.

Services provided consist of maintaining the community water system. In the past, CSA 5 has also provided services related to the recreational lake and flood control facilities, but these services have been discontinued. Since these services are no longer provided, CSA 5 has stopped charging the recreation fee (\$4.62 annually) related to the lake beginning in FY 10-11.

Throughout FY 12-13 CSA 5 conducted a Groundwater Under Direct Influence of Surface Water (GWUDI) study required by the California Department of Public Health. Results from the study were received in FY 13-14 and displayed influence on the wells from surface water. The system completed the project to address this in FY 19-20, which included putting the system under constant chlorination.

# ANNUAL CHARGES

All 147 developed parcels in CSA 5 are approximately the same size, contain single-family residences, and are not metered for water usage. The benefit of water service to these parcels is relatively equal, so all are charged the same rate.

The benefit of the water service to the two Out-of-District water users is charged at one and one-half times the CSA 5 rate (1.5 x the regular rate). The two Out-of-District users are billed by the Business Office in two annual installments equal to one-half of their total annual water service charge. These payments are due in December and April. Out-of-District users are billed separately since CSA 5 users are charged their fees as a line item on their property tax rolls, but Out-of-District user charges cannot be included as a line item on property tax bills.

#### PROPOSITION 218

The Board of Supervisors adopted an annual fee increase at a public hearing on July 15, 2014, pursuant to Proposition 218 requirements. The rate increase allowed CSA 5 to accumulate funds for the Piped Loop and Tank Replacement Project, which is needed to comply with State regulations for water virus removal for potable water and chlorination contact time. The rate increase also included the reassignment of

accumulated tank replacement funds in order to fund a portion of the previously mentioned projects.

The Board of Supervisors adopted a revised annual water service fee at a public hearing on July 14, 2015, pursuant to Proposition 218 requirements. The revised rate was proposed because the previous fee was set to expire at the end of FY 14-15. The rate includes a component to cover normal operation and maintenance costs, and a second component to build reserves for known capital replacement costs. The revised fee also included a maximum annual inflation of 5%. FY 19-20 was the last year of the rate increase.

# COUNTY SERVICE 7 UNINCORPORATED METROPOLITAN AREA

FISCAL YEAR 2023-2024

Submitted By: DEPARTMENT OF PUBLIC WORKS AND PLANNING

Prepared By: RESOURCES DIVISION

County Service Area 7 (CSA 7) was formed in 1963 to provide maintenance of storm drainage facilities and street lighting for subdivisions being developed along the San Joaquin River Bluffs near Valentine Avenue. Maintenance of storm drainage facilities has been assumed by the Fresno Metropolitan Flood Control District. Presently, CSA 7 provides street lighting for two non-contiguous subdivisions that are located along the San Joaquin River Bluffs near Valentine Avenue, and south of Herndon Avenue and east of Palm Avenue.

Due to PGE changing the way lights are rated in May 2021, CSA 7 has changed from LS1-A (PGE owned and maintained) to LS2-A (Privately owned and maintained). The street lighting electricity is provided by a contract with PG&E.

# ANNUAL CHARGES

Street lighting provides a benefit for residents by making nighttime travel safer as residents move from place to place by foot, bicycle, or vehicles. The lighting also provides a benefit through general nighttime security and well being for the residents. Owners of developed parcels share this benefit equally and should, therefore, equally share the cost of the service.

Vacant parcel owners, however, would not benefit from the service since they would not normally be in the area after dark. Vacant parcel owners should be excluded from the service charge.

The annual fee for street lighting is collected from 155 developed parcel owners.

In FY 2019-20, staff hired a crew to survey the street lighting infrastructure to determine the condition of the street lighting system. Based on the results of the survey, staff increased appropriations for FY 2020-21 to replace light bulbs, but no infrastructure repairs were required at this time. In 2021-22 staff began to increase appropriations to allow funds for repairs and replacements due to PGE and the Public Utilities Commission approving a category rate change, which enable PGE to remove CSA 7 lights from their ownership and maintenance responsibility.

# COUNTY SERVICE AREA 7, ZONE "D" TRACT 4503 (CLINTON AVENUE & MARTY AVENUES)

**FISCAL YEAR 2023-2024** 

Submitted By: DEPARTMENT OF PUBLIC WORKS AND PLANNING

Prepared By: RESOURCES DIVISION

County Service Area 7, Zone "D" (CSA 7D) is located west of the City of Fresno, near the intersection of Clinton Avenue and Marty Avenue. CSA 7D encompasses Tract 4503 and contains 6.48 acres subdivided into 26 parcels. CSA 7D was formed on January 25, 1994 to provide maintenance of the included .30 miles of roadways, (N. Marty, W. Vassar, and N. Selland Avenues), street lighting, landscaping and road maintenance.

The landscape area covers approximately 18 feet from the curb to the wooden fence on West Clinton Avenue, which covers approximately 250 lineal feet of landscaping.

The street lighting is provided by a contract with PG&E. There has been no wire theft since the last repair in FY 13-14, which included covering utility boxes with concrete in order to help deter additional theft in the future.

#### ANNUAL CHARGES

The portion of the assessment established for road maintenance is to maintain 0.10 miles of road on North Marty Avenue, 0.06 miles of road on West Vassar Avenue, 0.04 miles of road on West Clinton Avenue and 0.10 miles of road on North Selland Avenue. It has been determined that the costs for the road maintenance should be shared equally among the property owners of the 26 parcels included within the CSA 7D. The Road Maintenance fee may be subject annually to a maximum increase of 3% for inflation.

Annual street lighting assessment is collected from 26 developed parcel owners.

COUNTY SERVICE AREA 10 CUMORAH KNOLLS TRACT 1838

FISCAL YEAR 2023-2024

Submitted By: DEPARTMENT OF PUBLIC WORKS AND PLANNING

Prepared By: RESOURCES DIVISION

#### **NARRATIVE**

County Service Area 10 (CSA 10) was formed in 1963 to provide landscape maintenance of a roadway median and bridle paths in Cumorah Knolls, provision of water operations and maintenance were subsequently added. CSA 10 is located northwest of Shaw and Academy Avenues and has a total of 47 lots.

#### FEES AND ASSESSMENTS

Monthly fees for water services are billed on a bi-monthly basis. All of the water services in this subdivision are metered. There is a base rate for the service and rates for the additional water consumption based on the pipe diameter. Yearly assessments are collected for road median landscape maintenance, street lighting, State water surveillance fees and a surcharge for water system improvements. There is no inflation adjustment on the assessments. CSA 10 also receives a portion of property tax revenues from the State.

#### PROPOSITION 218

A Proposition 218 process for a fee increase was approved by CSA 10 property owners and adopted by the Board of Supervisors on February 25, 2014. The fee increase includes an inflation factor based on the CPI-U not to exceed 5% each year for five years, ending in FY 2018-19.

#### AGREEMENT WITH SANGER UNIFIED SCHOOL DISTRICT

On May 20, 2014, CSA 10 entered into an agreement with Sanger Unified School District (SUSD) to provide Fairmont Elementary School with clean, safe drinking water as an Out-of-District water user. In return, SUSD through a grant from the California Department of Public Health provided over \$300,000 in infrastructure improvements to the CSA 10 water system.

COUNTY SERVICE AREA 10 ZONE "A" (WATER & OTHER SERVICES) MANSIONETTES NO. 3 Tract 4835

FISCAL YEAR 2023-2024

Submitted By: DEPARTMENT OF PUBLIC WORKS AND PLANNING

Prepared By: RESOURCES DIVISION

#### **NARRATIVE**

In late 2000, the Fresno County Local Formation Commission (LAFCO) annexed the 29 lot Mansionette Estates No. 3 subdivision to County Service Area 10, Zone A (CSA 10A). CSA 10A is located south of Herndon Avenue between DeWolf and Highland Avenues and provides water service, street lighting, landscape maintenance, wetlands monitoring and maintenance, and road maintenance.

#### FEES AND ASSESSMENTS

Monthly fees collected for water services are billed on a bi-monthly basis. Each residence has a metered service for domestic use and a separate metered service for landscape irrigation. Fees for each service consist of a basic flat rate with a water allocation and two tiered rates based on additional water usage. There is no inflation adjustment for water service fees.

Annual assessments are collected with property taxes for landscape maintenance of a road median, road maintenance, wetlands monitoring, and street lighting. Assessments are adjusted annually based on the rate of inflation, but not to exceed 3%. The street lighting assessment is not adjusted for inflation.

#### PROPOSITION 218

On November 27, 2001, the Board of Supervisors adopted fees for water services, and assessments for wetlands monitoring and maintenance, landscape maintenance and road maintenance through a Proposition 218 proceeding.

On December 11, 2001, the Board of Supervisors adopted assessments for street lighting through a Proposition 218 proceeding.

COUNTY SERVICE AREA 14
BELMONT MANOR
TRACT 2031

FISCAL YEAR 2023-2024

Submitted By: DEPARTMENT OF PUBLIC WORKS AND PLANNING

Prepared By: RESOURCES DIVISION

#### **NARRATIVE**

County Service Area 14 (CSA 14) was formed in 1965 to provide services for the subdivision of Belmont Manor, Tract 2031, which is located at Belmont and Leonard Avenues. CSA 14 consists of 41 single family residential parcels. The services provided to the residents are storm drainage facilities, community water, and street lighting.

Department of Public Works and Planning staff maintain the community water system. PG&E is contracted to provide street lighting.

#### PROPOSITION 218

On November 12, 2013, the Board of Supervisors approved an increased assessment for domestic water service, street lighting, and drainage through the Proposition 218 process.

A Proposition 218 procedure is planned for FY 23-24.

#### 1,2,3 – TRICHLOROPROPANE (1,2,3-TCP)

On December 14, 2017, the new regulation adopted by the State Water Resources Control Board's Division of Drinking Water for the maximum contaminant level (MCL) for 1,2,3-TCP went into effect. The initial sampling requirements started in the first quarter of 2018. The CSA 14 system was issued Compliance Order # 03-23-18R-012 on March 22, 2018 due to an MCL violation. Staff is working with the community and the State to remediate the problem. On December 11, 2019, CSA 14 received \$2 million as a settlement through an agreement with The Dow Chemical Company and Shell Oil Company. The County of Fresno plans to use the funds to find a solution for the 1,2,3-TCP issue. In Fiscal Year 2020-21, the County of Fresno hired Provost & Pritchard Consulting Group to complete a feasibility study to determine whether connecting to the City of Fresno water system could be a long-term sustainable solution for the community.

#### COUNTY SERVICE AREA 19 HAMPTON AND HAYES AVENUES

FISCAL YEAR 2023-2024

Submitted By: DEPARTMENT OF PUBLIC WORKS AND PLANNING

Prepared By: RESOURCES DIVISION

#### **NARRATIVE**

County Service Area 19 (CSA 19) was formed in 1967 to provide street lighting for the parcels along Hampton Avenue, east of Hayes Avenue. There are a total of 21 developed lots and 4 undeveloped parcels in CSA 19. There are six street lights within CSA 19, which are maintained through a contract with PG&E.

#### ANNUAL CHARGE FOR SERVICE

Street lighting provides a benefit for the residents by making nighttime travel safer as they move by foot, bicycle, or vehicle from place to place. The lighting also provides a benefit through general nighttime security and well-being for the residents. All owners of developed parcels share these benefits. The owners of developed parcels should, therefore, equally share the cost of the service.

Vacant parcel owners, however, would benefit little from the service, since they would not normally be in the area after dark. They should, therefore, be excluded from the service charge.

#### **PROPOSITION 218**

Based on the Proposition 218 ballot hearing on June 18, 2002, the existing annual assessment for street lighting services for the developed property owners will continue at \$70.70 per parcel.

COUNTY SERVICE AREA 23 EXCHEQUER HEIGHTS TRACT 1994

FISCAL YEAR 2023-2024

Submitted By: DEPARTMENT OF PUBLIC WORKS AND PLANNING

Prepared By: RESOURCES DIVISION

#### **NARRATIVE**

County Service Area 23 (CSA 23) was formed in 1970 to maintain the community water system in Exchequer Heights. This subdivision is located approximately three miles southwest of the Dinkey Creek area near the intersection of Exchequer Drive and Dinkey Creek Road. There are 16 residential parcels within the CSA 23; all but one is developed.

Maintenance of the water system was formerly provided by the Exchequer Heights Property Owners Association's certified operators. Special Districts staff now provides the maintenance and operations of the water system.

#### **PROPOSITION 218**

On December 15, 2015, the annual water service fee was approved by the Board of Supervisors through the Proposition 218 proceeding. The increase was intended to raise additional funds for infrastructure improvements including repair to the roof of the booster pump building in FY 2017-18, which has been completed. The increase also included funds for the purchase of two well pumps, if needed, in FY 21-22 & FY 23-24. The fee increase was also necessary to generate a general reserve equal to 50% of the average of the last three completed fiscal years operations and maintenance costs within five years, pursuant to County of Fresno Board of Supervisors policy. This rate structure includes the cost for the previously applied Health Department surveillance fee of \$17.32 per parcel, which is no longer included as a separate fee.

#### COUNTY SERVICE AREA 30 EL PORVENIR

FISCAL YEAR 2023-2024

Submitted By: DEPARTMENT OF PUBLIC WORKS AND PLANNING

Prepared By: RESOURCES DIVISION

#### NARRATIVE

County Service Area 30 (CSA 30) was formed in 1980 to provide services for the subdivision known as El Porvenir, located on the west side of Derrick Avenue (Highway 33) near Clarkson Avenue. CSA 30 consists of 56 recorded residential lots, a County park, and three County owned outlots. Services provided to the residents include maintenance and operations of water and sewer systems, street lighting and refuse disposal. The park and County lots are not charged for any services. In the future, one or more of the County lots may be sold and developed.

The benefit of water service to the current 56 occupied parcels within CSA 30 is relatively equal since all the water is for single-family residential use.

#### Charges for Water

CSA 30 purchases raw water from Westlands Water District (Westlands). Since 2014, the fees for Municipal and Industrial raw water have greatly fluctuated which has caused financial instability for the district. The most recent rate change occurred in March 2023 when rates were changed to \$325.22 per acre foot.

#### Proposition 218

A rate adjustment procedure in FY 10-11 increased water and sewer fees.

CSA 30 received drought-related grant funding for FY 16-17. A rate adjustment procedure was conducted in FY 16-17 to include a State subsidy component within the Tier 1 commodity fee. Property owners did not protest the rate proposal therefore the Board of Supervisors adopted the proposed rates.

A rate adjustment procedure in accordance with Proposition 218 was conducted in FY 22-23. Property owners protested the rate proposal therefore the Board of Supervisors did not adopt the proposed rates. Proposed rates are being revised and Staff is planning to conduct another rate adjustment procedure to account for increased operations and maintenance costs.

#### <u>Grants</u>

The CSA 30 system received Compliance Order 03-12-08O-019 due to a Trihalomethanes (TTHM) violation on November 3, 2008. On November 7, 2014 the system was issued Compliance Order 03-23-14R-023 which replaced the previous compliance order. The new compliance order was due to a TTHM and Haloacetic Acid (HAA5) violation. The surface water treatment plants at CSA 30 and County Service Area 32 (CSA 32) are close in proximity and have similar disinfection byproduct issues. The two systems are old and may not provide optimal total organic carbon (TOC) reduction to help in control of TTHM. Contact time (CT) may not be achieved under all conditions according to the permit issued by State Water Resources Control Board (SWRCB) in January 2009. Additionally, one of the existing filtration plants is an inline

filtration plant, which SWRCB has determined is not acceptable to treat water obtained from the California Aqueduct.

Extensive research conducted during the planning and design phase of the consolidation project for CSAs 30 and 32 determined that constructing a new surface water treatment facility was not feasible due to high costs for operation and maintenance. Transitioning to groundwater is the most viable option. CSA 30 received grant funding for the planning, design and construction of the groundwater project.

#### Current projects include:

- Groundwater wells funded by the State Water Resources Control Board Division of Financial Assistance grant
- Water main replacement funded by the State Water Resources Control Board Department of Water Resources grant

In FY 18-19, CSA 30 received \$325,000 in emergency grant funding to address a considerable leak due to corrosion in the filter unit at the district's surface water treatment plant. The California Department of Water Resources provided \$275,000 and the State Water Resources Control Board provided \$50,000 to fund the purchase and installation of a new filter unit.

#### COUNTY SERVICE AREA 31 SHAVER LAKE AREA

FISCAL YEAR 2023-2024

Submitted By: DEPARTMENT OF PUBLIC WORKS AND PLANNING

Prepared By: RESOURCES DIVISION

#### NARRATIVE

County Service Area 31 (CSA 31) was formed in 1978 to provide fire protection and recreational facility services to the Shaver Lake community.

There are 2,661 parcels located within the CSA 31 boundaries which include cabins, homes, multiple-living units, stores, offices, restaurants, garages, service stations, and vacant parcels. Of the 2,661 parcels, 2,062 are developed and 599 parcels are vacant. Assessments are based on land use and parcel size and are more thoroughly described below:

#### ANNUAL ASSESSMENT FOR SERVICES

Equivalent Dwelling Unit (Basic Assessment for Fire Protection) = \$131.72

#### 1. VACANT PARCELS

There are 599 vacant parcels in CSA 31, which vary in size.

Owners of vacant parcels benefit from the fire protection service as the Fire Department does respond to fires on vacant parcels. There is a benefit received through protection of trees and landscaping and in the reduced risk of spreading fires to adjoining land and structures. The benefit is not as great as developed parcels therefore their assessment should be adjusted accordingly. The following assessment amount has been adjudged equitable by the Shaver Lake Citizens Advisory committee and the Department to be in line with the benefit received.

Parcel Size	Assessment
10.00 acres or less	\$20.96
10.01 acres to 50.00	\$67.14
Over 50.00 acres	\$109.08

#### 2. RESIDENTIAL PARCELS

The services provide an equal benefit to residential parcels in that the fire protection service and recreation facilities are available equally to all, as needed. This includes multiple-living units such as condominiums, duplexes, fourplexes, and the 16 cabins of Rock Haven, Inc. The size of the residence or frequency of occupancy does not influence the benefit of the services. The assessment for residential parcels should, therefore, be an equal amount per residence.

For comparison with other types of land usage, an assessment for a single-family residential parcel will be referred to as a basic assessment.

#### 3. COMMERCIAL PROPERTIES

The benefit from the services for the primary use of a commercial parcel would not be greatly different from that of a residential parcel.

This is based on the fact that a building is involved which may have a need for fire protection service, and that people are present from time to time who may utilize the recreation facilities. As with residential parcels, size of the structure is not a major influencing factor. The proposed assessment for the primary use of a commercial parcel should, therefore, be the same as a basic assessment (single family residence).

Some commercial properties have additional uses and/or residential quarters. These parcels will receive more benefit from the services than a single-use parcel as there would be additional acres requiring fire protection and would involve additional occupants. Since the additional use may be within the same structure as the primary use, the additional benefit from the services will be one-half that of the primary use.

There is a point, however, at which the assessment for services for additional uses of living quarters would become unreasonable when compared to the benefit of the services. The advisory committee and this Department have adjudged that the maximum charge for any commercial property should be no greater than four times the basic assessment amount.

#### 4. TRAILER AND MOBILE HOME PARKS

Trailer parks in CSA 31 vary in size from six to 133 spaces. To be equitable in the assessment for this classification, the size of trailer and mobile home parks are divided into four groups: i.e., 1 to 15 spaces, 16 to 30 spaces, 31 to 45 spaces, and over 45 spaces.

Factors which must be considered in determining the assessment for this classification are:

- 1. The facilities are open less than six months per year and the premises are vacant when closed.
- Trailers are small in comparison to structures. The benefit for a trailer park with up to 15 spaces has been adjudged by the Advisory Committee and this Department as no greater than that of a residence or commercial parcel. Therefore, the assessment for this group should be the same as the basic assessment. The benefit and assessments for each of the other groups in this classification would increase correspondingly, up to a maximum of four times that of a residence.

The recommended assessments for trailer parks are as follows:

<u>GROUP</u>	NUMBER OF SPACES	ANNUAL CHARGE
I	1 – 15	One time the basic assessment
П	16 – 30	Two times the basic assessment
Ш	31 – 45	Three times the basic assessment
IV	Over 45	Four times the basic assessment

#### RENTAL INCOME

Based on information from the Community Center Building Manager, it is estimated that income from renting the Building Hall for private/public functions will be \$6,000 to \$10,000 for each Fiscal Year.

#### SHAVER LAKE CIVIC LEAGUE

The contract between the County of Fresno on behalf of CSA 31 and the Shaver Lake Civic League was approved by the Board of Supervisors on June 22, 2021. An Amendment to the contract, which was approved they the Board of Supervisors on December 13, 2022, increased FY 2022-23 reimbursable base for the design, purchase, and assembly of a fire truck/water tender. The information below reflects the terms of the contract:

Fiscal Year	Base Reimbursement	Maximum Reimbursement
2021-22	\$249,221	\$274,143
2022-23	\$601,713	\$661,884
2023-24	\$256,747	\$282,422
2024-25	\$264,450	\$290,895
2025-26	\$275,028	\$302,531

The contract includes the ability to, if funds are needed and are available, increase the annual base reimbursement by 10%.

#### **PROPOSITION 218**

Rates were last increased in Fiscal Year 2002-03 after a successful rate adjustment proceeding.

## COUNTY SERVICE AREA 31 ZONE "B" SHAVER LAKE VILLAGE & CAMP EDISON

FISCAL YEAR 2023-2024

Submitted By: DEPARTMENT OF PUBLIC WORKS AND PLANNING

Prepared By: RESOURCES DIVISION

Zone "B" of County Service Area 31 (CSA 31B) was formed in 1984 to provide a separate funding mechanism for the community sewer system that serves only those properties that benefit from the service. CSA 31B consists of the Shaver Lake Village and Camp Edison.

The sewage collection and treatment facilities were constructed through the Clean Water Grant Program.

#### PROPOSITION 218

The Board of Supervisors adopted increased fees on May 8, 2007, resulting from a lack of a "majority protest" by the property owners following a rate adjustment proceeding. The annual increased fees first became effective in FY 2007-08 and were included on the FY 2007-08 property tax bill.

# **ANNUAL FEE FOR SERVICE**

Operational costs for CSA 31B are apportioned to the property owners based on "Equivalent Dwelling Units" (EDUs), the same method to apportion construction cost for the system.

No annual inflation fee adjustment is needed as CSA 31B meets the Board's policy of a 50% reserve requirement.

# \*SPECIAL PARCEL ASSESSMENT LIST

The parcels listed below are billed directly by the Department of Public Works and Planning Business Office for their use of the CSA 31B sewer system.

FISCAL YEAR 2023-2024

Submitted By: DEPARTMENT OF PUBLIC WORKS AND PLANNING

Prepared By: RESOURCES DIVISION

County Service Area 31, Zone "C" (CSA 31C) is located off Highway 168 in south Shaver Lake and was formed to provide open space maintenance. CSA 31C consists of:

TRACT	# of Lots
3959 (Phase I)	62
4914 (Phase II)	15
5024 (Phase III)	35
5319 (Phase IV)	20
5186 (Phase V)	44

CSA 31C contains 176 recorded lots. CSA 31C originally included Tract 5667 (Phase VI) 40 lots and Tract 5737 (Phase VII) 139 lots. Phases VI and VII never recorded and the Tentative Tract Maps for 5667 and 5737 have since expired.

# **PROPOSITION 218**

CSA 31C was formed after the Board of Supervisors adopted the engineer's report, and a Proposition 218 hearing was conducted. There were subsequent annexations to CSA 31C following the same procedure.

The base assessment was reduced in the fourth year after a reserve was developed. Assessments may be adjusted each year for inflation, not to exceed 3% for the first sixteen years.

### **MAINTENANCE**

CSA 31C appropriated \$20,000 of the District's reserve funds for the potential removal of dead and dying trees in FY 2023-24.

COUNTY SERVICE AREA 31 ZONE "D" BRETZ MOUNTAIN TRACT 4746

FISCAL YEAR 2023-2024

Submitted By: DEPARTMENT OF PUBLIC WORKS AND PLANNING

Prepared By: RESOURCES DIVISION

County Service Area 31, Zone "D" (CSA 31D) was formed on November 4, 1997, and is located off Bretz Road, in the community of Shaver Lake. CSA 31D, whose first budget was in FY1999-00, was formed to provide maintenance of an open space area in Tract 4746 Bretz Mountain Village. This Tract consists of 44 parcels.

### PROPOSITION 218

Prior to formation of CSA 31D, the Board of Supervisors accepted the Engineer's report and a public hearing was conducted in accordance with Proposition 218 provisions. Subsequent annexations were also approved by the Board of Supervisors following the same procedures.

The base assessment was reduced in the fourth year after a reserve was developed. Assessments may be adjusted each year for inflation, not to exceed 3% for the first sixteen years.

### **MAINTENANCE**

CSA 31D appropriated \$20,000 of the District's reserve funds for the potential removal of dead and dying trees in FY 2023-24.

# COUNTY SERVICE AREA 31 ZONE "E" TRACTS NOS. 4932 (Phase I), 5403 (Phase II), and 5485 (Phase III) TIMBER RIDGE DEVELOPMENT

FISCAL YEAR 2023-2024

Submitted By: DEPARTMENT OF PUBLIC WORKS AND PLANNING

Prepared By: RESOURCES DIVISION

County Service Area 31, Zone "E" (CSA 31E) was formed to provide Outlot and Open Space Maintenance. CSA 31E was created by Tract Map 4932 as Phase I and contains 15 parcels. Phase II, consisting of Tract Map 5403, was added on March 1, 2005 and serves 23 parcels. Phase III, consisting of Tract Map 5485, was created on June 14, 2005 and added 18 parcels. CSA 31E now contains 56 parcels and is also known as the Timber Ridge Development, located in the general vicinity of Timber View Lane and Bretz Road. Only 55 parcels are assessed, one parcel is tax exempt.

#### PROPOSITION 218

Prior to formation of CSA 31E, the Board of Supervisors accepted the Engineer's reports and a public hearing was conducted in accordance with Proposition 218 provisions. Subsequent annexations were also approved by the Board of Supervisors following the same procedures.

The base assessment was reduced in the fourth year after a reserve was developed. Assessments may be adjusted each year for inflation, not to exceed 3% for the first sixteen years.

#### **MAINTENANCE**

CSA 31E appropriated \$20,000 of the District's reserve funds for the potential removal of dead and dying trees in FY 2023-24.

**FISCAL YEAR 2023-2024** 

Submitted By: DEPARTMENT OF PUBLIC WORKS AND PLANNING

Prepared By: RESOURCES DIVISION

County Service Area 31, Zone "F" (CSA 31F) was formed in 2004 with the first budget in FY 2005-06 to provide Outlot and Open Space Maintenance. CSA 31F was created by Tract Map 4773 and 5218 and is located in the Shaver Lake area in the general vicinity of Bretz Road and Blue Canyon Road. On August 15, 2006, Annexation 1 added Tract Map 5735 (revised to Tract 4773), which added 16 additional parcels. On September 1, 2011 Annexation 2 added one additional parcel to Tract Map 4773. CSA 31F currently contains 72 parcels, 70 are assessed and 2 parcels are tax exempt.

#### **PROPOSITION 218**

CSA 31F was formed after the Board of Supervisors adopted the engineer's report, and a Proposition 218 hearing was conducted. There were subsequent annexations to CSA 31F following the same procedure.

The base assessment was reduced in the fourth year after a reserve was developed. Assessments may be adjusted each year for inflation, not to exceed 3% for the first sixteen years.

**FISCAL YEAR 2023-2024** 

Submitted By: DEPARTMENT OF PUBLIC WORKS AND PLANNING

Prepared By: RESOURCES DIVISION

County Service Area 31, Zone "G" (CSA 31G) was formed in 2006 with the first budget in FY 2007-08 to provide Outlot and Open Space Maintenance. CSA 31G was created by Tract Map 5276 for the Quartz Mountain Subdivision and is located in the Shaver Lake Bretz Mountain Village area in the general vicinity of Bretz Road and Blue Canyon Road. CSA 31G contains 104 parcels.

Maintenance of the open space area will equally benefit all property owners within CSA 31G.

### PROPOSITION 218

The Board of Supervisors formed CSA 31G after accepting the Engineer's report and conducting a rate adjustment proceeding.

The base assessment was reduced in the fourth year after a reserve was developed. Assessments may be adjusted each year for inflation, not to exceed 3% for the first sixteen years.

# COUNTY SERVICE AREA 32 CANTUA CREEK

FISCAL YEAR 2023-2024

Submitted By: DEPARTMENT OF PUBLIC WORKS AND PLANNING

Prepared By: RESOURCES DIVISION

County Service Area 32 (CSA 32) was formed in 1981 to provide services for the Cantua Creek farm labor housing development. This subdivision is located at Clarkson Avenue, west of San Mateo Avenue in the community of Cantua Creek. There are 81 parcels in the subdivision. Services provided by CSA 32 include community water, sewer, garbage collection, and street lighting. Of the 81 parcels, there are 76 single-family residential units, Cantua Elementary School, school homes, and a mobile home park. Three previous out-of-district users have been annexed into the CSA 32 water system, along with Cantua Creek Vineyards IV, and the Childhood Education Center. Cantua Creek Vineyards IV, and the Childhood Education Center will start receiving water services once the groundwater wells project (detailed below) is complete.

# Charges for Water

CSA 32 purchases raw water from Westlands Water District (Westlands). Since 2014, the fees for Municipal and Industrial raw water have greatly fluctuated which has caused financial instability for the district. The most recent rate change occurred in March 2023 when rates were changed to \$325.22 per acre foot.

# Proposition 218

A rate adjustment procedure was conducted in FY 22-23 to account for increased operation and maintenance costs. Property owners did not protest the rate proposal therefore the Board of Supervisors adopted the proposed rates. New rates became effective March 1, 2023, and include a fixed base fee, variable fee for operational costs, and variable commodity fee for water usage.

#### Grant

The CSA 32 system received Compliance Order 03-12-080-003 due to a Trihalomethanes (TTHM) violation on February 14, 2008. On November 7, 2014 the system was issued Compliance Order 03-23-14R-024 which replaced the previous compliance order. The new compliance order was due to a TTHM and Haloacetic Acid (HAA5) violation. The surface water treatment plants at CSA 32 and County Service Area 30 (CSA 30) are close in proximity and have similar disinfection byproduct issues. The two systems are old and may not provide optimal total organic carbon (TOC) reduction to help in control of TTHM. Contact time (CT) may not be achieved under all conditions according to the permit issued by State Water Resources Control Board (SWRCB) in January 2009. Additionally, one of the existing filtration plants is an inline filtration plant, which SWRCB has determined is not acceptable for water obtained from the California Aqueduct.

Extensive research conducted during the planning and design phase of the consolidation project for CSAs 30 and 32 determined that constructing a new surface water treatment facility was not feasible due to high costs for operation and

maintenance. Transitioning to groundwater is the most viable option. CSA 32 received grant funding for the planning, design, and construction of the groundwater project.

# Current projects include:

- Groundwater wells funded by the State Water Resources Control Board Division of Financial Assistance grant, program number 91293
- Water main replacement funded by the State Water Resources Control Board Department of Water Resources grant, program number 91317

COUNTY SERVICE AREA 33 MALAGA - McNEILL PARK

FISCAL YEAR 2023-2024

Submitted By: DEPARTMENT OF PUBLIC WORKS AND PLANNING

Prepared By: RESOURCES DIVISION

County Service Area 33 (CSA 33) was formed in 1981 to provide street lighting for the Malaga Community. In 1984, the McNeill-Fresno Industrial Park and adjacent area, referred to herein as the Shapazian-McNeill Annexation, were annexed to the County Service Area. Only street lighting is provided throughout CSA 33 while the Shapazian-McNeill Annexation receives both street lighting and landscape maintenance. CSA 33 contains 220 developed parcels including six industrial parcels charged annually for landscape maintenance.

# ANNUAL CHARGE FOR LANDSCAPE MAINTENANCE SERVICE

Landscape maintenance is provided for only the properties in the Shapazian-McNeill annexation.

The landscape maintenance would provide little benefit for vacant parcels since the owners would not frequent the area.

At present, there are six developed parcels in the Shapazian-McNeill Annexation. Their benefit from the service has been adjudged equal and funding should be shared equally.

# ANNUAL CHARGE FOR STREET LIGHTING SERVICE

Street lighting provides a benefit for residents of a community by making nighttime travel safer as they move by foot, bicycle, or vehicle from place to place within the community. All owners of developed properties share these benefits regardless of zoning or use of their property; therefore, they share equally the cost of the service.

Vacant property owners would not benefit from the service since they would not normally be in the area after dark. They should, therefore, be excluded from the charge for service.

# COUNTY SERVICE AREA 34 MILLERTON NEW TOWN

FISCAL YEAR 2023-2024

Submitted By: DEPARTMENT OF PUBLIC WORKS AND PLANNING

Prepared By: RESOURCES DIVISION

County Service Area 34 (CSA 34) was formed in 1986 to provide a full range of extended governmental services for the community of Millerton New Town. CSA 34 contains 1,420 acres (including approximately 422 acres within Zone "A" and 49 acres within Zone "C") and is located one and a half miles east of the Friant Community, along both sides of Millerton Road. The proposed community is planned to eventually include 3,500 residences plus commercial and public facilities. CSA 34 is continuing to grow and has added new zones as detailed below.

In 1989, Zone "A" was formed within CSA 34 (CSA 34A) to provide community services for the developing property known as Brighton Crest. CSA 34A was created by Tract Nos. 4048, 4197, 4241,4388 & 4660 and shares water contract administration and lake pump repair maintenance services with CSA 34 and water and sewer services with zones C, D, F and G. Additionally, Zones "B" (CSA 34B) and "C" (CSA 34C) were formed in 2004 to provide community services to the communities known as Ventana Hills and Bella Vista, respectively. Each of the respective zones' services and costs are addressed in a separate budget and report. CSA 34B is near, but not adjacent to the rest of CSA 34, and was added as a zone to CSA 34 for administrative purposes only. CSA 34B is not connected to the rest of the CSA 34 infrastructure and is not included within the water reservations held by CSA 34. County Service Area 34, Zone "D" (CSA 34D), was formed on December 11, 2017. CSA 34D was created for Tract No. 4968, Renaissance at Bella Vista and shares water contract administration and lake pump repair maintenance services with CSA 34 and water and sewer services with zones A. C, D, F and G. County Service Area 34, Zone "F" (CSA 34F), was formed on October 8, 2019. CSA 34F was created for Tract No. 4934, The Vistas, and shares water contract administration and lake pump repair maintenance services with CSA 34 and water and sewer services with zones A, C, D and G. County Service Area 34, Zone "G" (CSA 34G), was formed on October 8, 2019. CSA 34G was created for Tract No. 6189, Granville, and shares water contract administration and lake pump repair maintenance services with CSA 34 and water and sewer services with zones A, C, D and F.

In FY 13-14, a separate budget for the wastewater facility (CSA 34WWTF) was created and is funded through inter-fund transfers from all CSA 34 zones, except zone B. CSA 34WWTF currently serves CSA 34A, CSA 34C, CSA 34D, CSA 34F and CSA 34G.

In FY 16-17, a separate budget for the surface water treatment plant (CSA 34SWTP) was created and is funded through inter-fund transfers from all CSA 34 zones, except zone B. CSA 34SWTP currently serves CSA 34A, CSA 34C, CSA 34D, CSA 34F and CSA 34G.

The sole function of CSA 34 during the coming fiscal year will be to administer the water contracts and ready to serve lake pump maintenance serving CSA 34, CSA 34A, CSA 34C, CSA 34D, CSA 34F and CSA 34G.

On September 15, 2009, the County entered into Agreement 09-472 with the Table Mountain Rancheria Band of Indians (TMR) whereby TMR would provide up to \$2,000,000 in materials and cash toward improvements for the water system serving, at that time, CSA 34A and CSA 34C. These improvements, collectively called the Millerton Lake Pumps and Improvements Project include (Phase I) four new submersible water pumps, an emergency tee connection, (Phase II) a 12" water main that will parallel the existing main from the pumps to approximately Millerton Road, and other associated work and materials (Reference Program # 90675). Work on Phase I was completed in the fall of 2010.

In December 2012 TMR also donated up to \$500,000 for repair of the Millerton Lake pump platform that served, at that time, CSA 34A and CSA 34C. Repairs were completed in April 2013. Final costs for this project were \$361,111 which was under the donated amount \$375,000, necessitating a refund to TMR \$13,889.

On October 22, 2013, the County entered into Amendment I of Agreement 09-472 with the TMR whereby the Board of Supervisors would approve and authorize subsequent Phase I funding to be used for the Pump Master Control Center improvements (\$314,693) and Rule 16 preparation costs (\$10,000).

In FY 14-15, TMR requested that staff obtain estimates for three separate projects. TMR agreed to complete two of the projects (Conduit Project and the SCADA Project) as part of the Winchell Cove Pipeline Project at no cost to the County. The MCC Power Supply – PGE Rule 16 Project that is anticipated to cost \$3,123,900, is still on hold until funding is secured for this project.

On April 7, 2015, Amendment II of Agreement 09-472 with the TMR was adopted to increase the estimated cost of the repairs and improvements for Phase II to \$3,986,480 for a total estimated project cost of \$5,466,460 and allow construction to begin.

On January 26, 2016, Amendment III of Agreement 09-472 with TMR was adopted to clarify language in the Agreement.

# ANNUAL CHARGES

For parcels within CSA 34, not including parcels in CSA 34A, CSA 34C, CSA 34D, CSA 34F and CSA 34G, it was determined in the adopted rate structure and engineer's report that the most equitable way for the property owners to share costs associated with water contract administration and Millerton Lake pump ready-to-serve maintenance is on a per acre basis in the amount of \$114.08 per acre. This cost is applied to approximately 841 acres through tax assessments.

For parcels within CSA 34A, it was determined in the adopted rate structure and engineer's report that the most equitable way for property owners to share the costs

associated with water contract administration and Millerton Lake pump ready-to-serve maintenance is based on a per Equivalent Benefit Unit (EBU) (1-EBU = 1.045 acre feet per parcel per year in CSA 34A) in the amount of \$77.29. The cost is applied to 158 parcels through tax assessments (there were 159 parcels but two parcels merged).

For parcels within CSA 34C, it was determined in the adopted rate structure and engineer's report that the most equitable way for property owners to share the costs associated with water contract administration and Millerton Lake pump ready-to-serve maintenance is based on a per Equivalent Benefit Unit (1-EBU = 0.5 acre feet per parcel per year in CSA 34C) in the amount of \$36.80. The cost is applied to 161 parcels through tax assessments.

For parcels within CSA 34D, it was determined in the adopted rate structure and engineer's report that the most equitable way for property owners to share the costs associated with water contract administration and Millerton Lake pump ready-to-serve maintenance is based on a per Equivalent Benefit Unit (1-EBU = 0.55 acre feet per parcel per year in CSA 34D) in the amount of \$40.84. The cost is applied to 106 parcels through tax assessments.

For parcels within CSA 34F, it was determined in the adopted rate structure and engineer's report that the most equitable way for property owners to share the costs associated with water contract administration and Millerton Lake pump ready-to-serve maintenance is based on a per Equivalent Benefit Unit (1-EBU = 0.55 acre feet per parcel per year in CSA 34F) in the amount of \$40.84. The cost is applied to 10 parcels through tax assessments.

For parcels within CSA 34G, it was determined in the adopted rate structure and engineer's report that the most equitable way for property owners to share the costs associated with water contract administration and Millerton Lake pump ready-to-serve maintenance is based on a per Equivalent Benefit Unit (1-EBU = 0.55 acre feet per parcel per year in CSA 34G) in the amount of \$40.84. The cost is applied to 133 parcels through tax assessments.

#### SIGNIFICANT CHANGES FOR FY 21-22

Phase II of the Millerton Lake Pumps and Pipeline Project, which primarily includes installation of the second, parallel pipeline, (and now the conduit and SCADA projects) began construction in FY 15-16 and was completed up to the water line as the water was too high to continue. The project has been delayed until the water in the lake goes back down and is estimated to be completed in FY 22-23. The Motor Control Center Project for the electrical center controlling the Millerton Lake pumps were upgraded and completed in FY 15-16.

In May 2017, the failed lake pumps and under-performing pump was replaced at a total cost of \$333,994 (Reference Program # 91483). On May 16, 2017, the County, on behalf of the Districts, entered into a financing agreement with some of the Reservation

Holders (J.P.J., Inc. and Table Mountain Rancheria), to finance the repair and replacement of the lake pumps. The Agreement requires benefitting parties to reimburse an amount equal to the funds provided by the Reservation Holders from funds collected by CSA 34, CSA 34A, CSA 34C, CSA 34D, CSA 34F and CSA 34G at 0% interest rate, up to \$333,994, as determined appropriate by the Debt Advisory Committee (DAC). Repayment of this loan began annually in October 2018 and will continue through October 2027. The current balance is \$166,997.

In August 2020, a check valve gasket failed at a cost of approximately \$279,305, which included two separate repair dives to complete the repair. In December 2021, there were two leaks. The lake pump check valve in the parking lot of the marina was leaking back towards the lake. The second leak was between lake pump check valve and the check valves at the pump platform. The repairs required a dive team and the replacement of a check valve, flappers and gasket.

#### PROPOSITION 218

Due to the wide range of services that the County provides in various parts of CSA 34, a variety of fees and benefit assessments are necessary to fund all of those services. The situation is further complicated by the fact that some facilities and administrative work necessary to provide those services are shared in CSA 34, CSA 34A, CSA 34C and CSA 34D, while other facilities for providing water and sewer services are local to CSA 34A, CSA 34C and CSA 34D. The Assessment Engineer addressed the shared services and updated the Water Contract Assessment. The Board of Supervisors adopted the new assessment for Water Contract and Pump Repair Maintenance on December 11, 2017, with the formation of Zone D. The Assessment Engineer addressed the shared services and updated the Water Contract Assessment. The Board of Supervisors adopted the new assessment for Water Contract and Pump Repair Maintenance on October 8, 2019, with the formation of Zones F and G. The water and sewer fees based on the Consolidated Engineer's Report adopted by the Board of Supervisors during the Prop 218 procedures on January 26, 2015, for all of CSA 34 zones were adopted on March 1, 2016. The last increase in the water and sewer fees for the rate adjustment period was July 1, 2020. The assessments and fees will be re-evaluated in FY 2023-24 for all of CSA 34 and its zones.

## REPORT TO THE BOARD OF SUPERVISORS COUNTY OF FRESNO

COUNTY SERVICE AREA 34, ZONE "A"
BRIGHTON CREST
TRACT NOS. 4048, 4197, 4241,4388 & 4660
(PHASE I THROUGH IV)

FISCAL YEAR 2023-2024

Submitted By: DEPARTMENT OF PUBLIC WORKS AND PLANNING

Prepared By: RESOURCES DIVISION

June 2023

#### **NARRATIVE**

County Service Area 34, Zone "A" (CSA 34A), was formed in 1989 to provide community services for the development of Brighton Crest and consists of 442 acres. Currently the CSA 34A provides services to a golf course, a clubhouse, 152 single-family lots of which approximately 101 are developed or under development, and there is some undeveloped land. CSA 34A, lying on the south side of Millerton Road, was formed to provide water, sewer, street sweeping, and street lighting services to the residents of the community.

All water treated in the surface water treatment plant and served to CSA 34A, County Service Area 34, Zone C (CSA 34C), County Service Area 34, Zone D (CSA 34D), County Service Area 34, Zone F (CSA 34F) and County Service Area 34, Zone G (CSA 34G) customers is purchased from Arvin Edison Irrigation District through an annual exchange agreement.

#### ANNUAL CHARGES

Revenue projections for FY 23-24 include some residential overuse based on analysis of past years overuse charges. The residential overuse does consider some decrease in water use due to compliance with the Fresno County Water Conservation Ordinance and a water rate increase in FY 20-21.

Monthly fees are billed by the Fresno County, Public Works and Planning – Financial Services on a bi-monthly basis. All water services are metered. The base rate and tiered rate structures for residential usage are identified in the Master Schedule of Fees.

#### SIGNIFICANT CHANGES

Phase II of the Millerton Lake Pumps and Pipeline Project, which primarily includes installation of the second, parallel pipeline, (and now the conduit and SCADA projects) began construction in FY 15-16 and was completed up to the water line as the water was too high to continue. The project has been delayed until the water in the lake goes back down. The Motor Control Center Project for upgrading the electrical center controlling the Millerton Lake pumps and completed in FY 15-16.

In May 2017, the failed lake pumps and under-performing pump was replaced at a total cost of \$333,994. On May 16, 2017, the County, on behalf of the Districts, entered into a financing agreement with some of the Reservation Holders (J.P.J., Inc. and Table Mountain Rancheria), to finance the repair and replacement of the lake pumps. The Agreement requires benefitting parties to reimburse an amount equal to the funds provided by the Reservation Holders from funds collected by CSA 34, CSA 34A, CSA 34C, CSA 34D, CSA 34F and CSA 34G at 0% interest rate, up to \$333,994, as determined appropriate by the Debt Advisory Committee (DAC). Repayment of this loan began annually in October 2018 and will continue through October 2027. The current balance is \$166,997.

#### CSA 34A FINANCIALS

CSA 34A has experienced financial instability in the past primarily due to their proportionate share of the cost of the equipment failures previously discussed.

On February 7, 2017, the Board approved Resolution No. 17-121, which established the County Service Area Revolving Fund (Revolving Fund) and adopted the "County of Fresno Policy for Use of the County Service Area Revolving Fund" (Policy).

On June 20, 2017, CSA 34A received a Revolving Fund Loan from the General Fund. The repayment was structured for CSA 34A to make quarterly payments of \$7,500 plus the current pooled interest rate. As of April 30, 2023, the outstanding loan balance is \$127,500.

#### **PROPOSITION 218**

Due to the wide range of services that the County provides in various parts of CSA 34, a variety of fees and benefit assessments are necessary to fund all of those services. The situation is further complicated by the fact that some facilities and administrative work necessary to provide those services are shared in CSA 34, CSA 34A, CSA 34C, CSA 34D, CSA 34F, and CSA 34G while other facilities for providing water and sewer services are local to CSA 34A, CSA 34C, CSA 34D, CSA 34F, and CSA 34G. The Assessment Engineer addressed the shared services and updated the Water Contract Assessment. The Board of Supervisors adopted a new assessment for Water Contract and Pump Repair Maintenance on December 11, 2017, with the formation of Zone D. The Assessment Engineer addressed the shared services and updated the Water Contract Assessment. The Board of Supervisors adopted the new assessment for Water Contract and Pump Repair Maintenance on October 8, 2019 with the formation of Zones F and G. The water and sewer fees based on the Consolidated Engineer's Report adopted by the Board of Supervisors during the Prop 218 procedures on January 26, 2015, for all of CSA 34 zones were adopted on March 1, 2016. The last increase in the water and sewer fees for the rate adjustment period was July 1, 2020. The assessments and fees will be re-evaluated in FY 2023-24 for all of CSA 34 and its zones.

## REPORT TO THE BOARD OF SUPERVISORS COUNTY OF FRESNO

## COUNTY SERVICE AREA 34, ZONE "B" VENTANA HILLS

FISCAL YEAR 2023-2024

Submitted By: DEPARTMENT OF PUBLIC WORKS AND PLANNING

Prepared By: RESOURCES DIVISION

June 2023

#### NARRATIVE

County Service Area 34, Zone "B" (CSA 34B), was formed in 2004 and is located on the north side of Auberry Road, just west of the intersection of Auberry Road and Millerton Road. CSA 34B was created by Tract Map No. 5100 and is in the Millerton New Town Area. The tract contains 91 parcels of which 15 are either developed or under development.

The first CSA 34B budget was adopted in FY 05-06 to provide water services to the Ventana Hills Estates subdivision. However, the 1st budget was not activated since the water infrastructure was not constructed nor accepted by the County during FY 07-08. Operations of the water system began after acceptance of the water system in June 2008. The deed to the two water well site parcels and the water tank site parcel was accepted by the County on February 8, 2011.

#### **ANNUAL CHARGES**

Water use charges are collected on a bi-monthly basis. For the annual State Water Surveillance fee, developed parcels will be charged the fee pro-rated along with the bi-monthly billings for water service. Vacant parcels will be charged the annual State Water Surveillance fee along with property taxes. A tiered rate structure was developed by the Developer's Engineers to encourage water conservation. On June 2, 2009, a rate adjustment proposal was approved, which established the base user fees. The adjusted rate included an annual increase of 3% for inflation but after the fifth year of the rate increase, the rate remains flat.

At the beginning of FY 23-24, 13 of the 91 recorded lots are developed and two additional lots are under development. The Subdivider has entered into an Agreement 05-0003 to contribute funding to CSA 34B in case of a revenue shortfall.

All water services are metered.

## REPORT TO THE BOARD OF SUPERVISORS COUNTY OF FRESNO

# COUNTY SERVICE AREA 34, ZONE "C" (BELLA VISTA, AKA Granite Crest)

FISCAL YEAR 2023-2024

Submitted By: DEPARTMENT OF PUBLIC WORKS AND PLANNING

Prepared By: RESOURCES DIVISION

June 2023

#### **NARRATIVE**

County Service Area 34, Zone "C" (CSA 34C), was formed on September 14, 2004. CSA 34C was created for Tract No. 4870, Bella Vista (DBA Granite Crest Estates), and is located in the Millerton New Town area on the south side of Millerton Road, west of the intersection of Millerton Road and Winchell Cove Road. CSA 34C contains 161 residential lots. Services provided by the CSA 34C include water, wastewater, road maintenance, open space monitoring and maintenance, landscape maintenance, street lighting services, and water program management.

All water treated in the surface water treatment plant and served to CSA 34C, County Service Area 34, Zone "A" (CSA 34A), County Service Area 34, Zone "D" (CSA 34D), County Service Area 34, Zone F (CSA 34F) and County Service Area 34, Zone G (CSA 34G) customers is purchased from Arvin Edison Irrigation District through an annual exchange agreement.

#### ANNUAL CHARGES

Revenue projections for FY 23-24 include some residential overuse based on analysis of past years overuse charges. The residential overuse does take into account some decrease in water use due to compliance with the Fresno County Water Conservation Ordinance.

Monthly fees are billed by the Fresno County Business office on a bi-monthly basis. All water services are metered. The base rate and tiered rate structures for residential usage are identified in the Master Schedule of Fees.

#### SIGNIFICANT CHANGES

Phase II of the Millerton Lake Pumps and Pipeline Project, which primarily includes installation of the second, parallel pipeline, (and now the conduit and SCADA projects) began construction in FY 15-16 and was completed up to the water line as the water was too high to continue. The project has been delayed until the water in the lake goes back down. The Motor Control Center Project for the electrical center controlling the Millerton Lake pumps were upgraded and completed in FY 15-16.

In May 2017, the failed lake pumps and under-performing pump was replaced at a total cost of \$333,994. On May 16, 2017, the County, on behalf of the Districts, entered into a financing agreement with some of the Reservation Holders (J.P.J., Inc. and Table Mountain Rancheria), to finance the repair and replacement of the lake pumps. The Agreement requires benefitting parties to reimburse an amount equal to the funds provided by the Reservation Holders from funds collected by CSA 34, CSA 34A, CSA 34C, CSA 34D, CSA 34F and CSA 34G at 0% interest rate, up to \$333,994, as determined appropriate by the Debt Advisory Committee (DAC). Repayment of this loan began annually in October 2018 and will continue through October 2027. The current balance is \$166,997.

### PROPOSITION 218

Due to the wide range of services that the County provides in various parts of CSA 34, a variety of fees and benefit assessments are necessary to fund all those services. The situation is further complicated by the fact that some facilities and administrative work necessary to provide those services are shared in CSA 34, CSA 34A, CSA 34C and CSA 34D, while other facilities for providing water and sewer services are local to CSA 34A, CSA 34C and CSA 34D. The Assessment Engineer addressed the shared services and updated the Water Contract Assessment. The Board of Supervisors adopted the new assessment for Water Contract and Pump Repair Maintenance on December 11, 2017, with the formation of Zone D. The Assessment Engineer addressed the shared services and updated the Water Contract Assessment. The Board of Supervisors adopted the new assessment for Water Contract and Pump Repair Maintenance on October 8, 2019, with the formation of Zones F and G. The water and sewer fees based on the Consolidated Engineer's Report adopted by the Board of Supervisors during the Prop 218 procedures on January 26, 2015, for all of CSA 34 zones were adopted on March 1, 2016. The last increase in the water and sewer fees for the rate adjustment period was July 1, 2020. The assessments and fees will be re-evaluated in FY 2023-24 for all of CSA 34 and its zones.

## REPORT TO THE BOARD OF SUPERVISORS COUNTY OF FRESNO

# COUNTY SERVICE AREA 34, ZONE "D" (Renaissance at Bella Vista)

**FISCAL YEAR 2023-2024** 

Submitted By: DEPARTMENT OF PUBLIC WORKS AND PLANNING

Prepared By: RESOURCES DIVISION

June 2023

#### NARRATIVE

County Service Area 34, Zone "D" (CSA 34D), was formed on December 11, 2017. CSA 34D was created for Tract No. 4968, Renaissance at Bella Vista, and is in the Millerton New Town area on the south side of Millerton Road, west of the intersection of Millerton Road and Marina Drive. CSA 34D contains 106 lots of which all of the homes are either developed or under development. Services provided by CSA 34D include water, wastewater, road maintenance, open space monitoring and maintenance, landscape maintenance, street lighting services, and storm drainage maintenance.

All water treated in the surface water treatment plant and served to CSA 34D, County Service Area 34, Zone A (CSA 34A), County Service Area 34, Zone C (CSA 34C), Service Area 34, Zone F (CSA 34F) and County Service Area 34, Zone G (CSA 34G) customers is purchased from Arvin Edison Irrigation District through an annual exchange agreement.

#### **ANNUAL CHARGES**

Monthly fees will be collected on a bi-monthly basis. All water services are metered. The base rate and tiered rate structures for residential usage are identified in the Master Schedule of Fees.

#### SIGNIFICANT CHANGES

Phase II of the Millerton Lake Pumps and Pipeline Project, which primarily includes installation of the second, parallel pipeline, (and now the conduit and SCADA projects) began construction in FY 15-16 and was completed up to the water line as the water was too high to continue. The project has been delayed until the water in the lake goes back down. The Motor Control Center Project for the electrical center controlling the Millerton Lake pumps were upgraded and completed in FY 15-16.

In May 2017, the failed lake pumps and under-performing pump was replaced at a total cost of \$333,994. # REPORT TO THE BOARD OF SUPERVISORS COUNTY OF FRESNO

COUNTY SERVICE AREA 34, ZONE "F" (The Vistas)

**FISCAL YEAR 2023-2024** 

Submitted By: DEPARTMENT OF PUBLIC WORKS AND PLANNING

Prepared By: RESOURCES DIVISION

June 2023

#### **NARRATIVE**

County Service Area 34, Zone "F" (CSA 34F), was formed on October 8, 2019. CSA 34F was created for Tract No. 4934, The Vistas, and is in the Millerton New Town area on the south side of Millerton Road, west of the intersection of Millerton Road and Marina Drive. CSA 34F contains 10 lots of which ten (10) homes are undeveloped. Services provided by CSA 34F include water, wastewater, road maintenance, street lighting services, and storm drainage maintenance.

All water treated in the surface water treatment plant and served to CSA 34F, County Service Area 34, Zone A (CSA 34A) County Service Area 34, Zone C (CSA 34C), County Service Area 34, Zone D (CSA 34D), and County Service Area 34, Zone G (CSA 34G) customers is purchased from Arvin Edison Irrigation District through an annual exchange agreement.

#### ANNUAL CHARGES

Revenue projections for FY 23-24 were developed by the assessment engineer during the Proposition 218 procedures as part of the formation of the District.

Monthly fees will be collected on a bi-monthly basis. All water services are metered. The base rate and tiered rate structures for residential usage are identified in the Master Schedule of Fees.

### SIGNIFICANT CHANGES

Phase II of the Millerton Lake Pumps and Pipeline Project, which primarily includes installation of the second, parallel pipeline, (and now the conduit and SCADA projects) began construction in FY 15-16 and was completed up to the water line as the water was too high to continue. The project has been delayed until the water in the lake goes back down. The Motor Control Center Project for the electrical center controlling the Millerton Lake pumps were upgraded and completed in FY 15-16.

In May 2017, the failed lake pumps and under-performing pump was replaced at a total cost of \$333,994. On May 16, 2017, the County, on behalf of the Districts, entered into a financing agreement with some of the Reservation Holders (J.P.J., Inc. and Table Mountain Rancheria), to finance the repair and replacement of the lake pumps. The Agreement requires benefitting parties to reimburse an amount equal to the funds provided by the Reservation Holders from funds collected by CSA 34, CSA 34A, CSA 34C, CSA 34D, CSA 34F and CSA 34G at 0% interest rate, up to \$333,994, as determined appropriate by the Debt Advisory Committee (DAC). Repayment of this loan began annually in October 2018 and will continue through October 2027. The current balance is \$166,997.

#### PROPOSITION 218

Due to the wide range of services that the County provides in various parts of CSA 34, a variety of fees and benefit assessments are necessary to fund all those services. The situation is further complicated by the fact that some facilities and administrative work necessary to provide those services are shared in CSA 34, CSA 34A, CSA 34C and CSA 34D, while other facilities for providing water and sewer services are local to CSA 34A, CSA 34C and CSA 34D. The Assessment Engineer addressed the shared services and updated the Water Contract Assessment. The Board of Supervisors adopted the new assessment for Water Contract and Pump Repair Maintenance on December 11, 2017. The Assessment Engineer addressed the shared services and updated the Water Contract Assessment. The Board of Supervisors adopted the new assessment for Water Contract and Pump Repair Maintenance on October 8, 2019, with the formation of Zones F and G. The water and sewer fees based on the Consolidated Engineer's Report adopted by the Board of Supervisors during the Prop 218 procedures on January 26, 2015, for all of CSA 34 zones were adopted on March 1, 2016. The last increase in the water and sewer fees for the rate adjustment period was July 1, 2020. The assessments and fees will be reevaluated in FY 2023-24 for all of CSA 34 and its zones.

# REPORT TO THE BOARD OF SUPERVISORS COUNTY OF FRESNO

COUNTY SERVICE AREA 34, ZONE "G" (Granville)

FISCAL YEAR 2023-2024

Submitted By: DEPARTMENT OF PUBLIC WORKS AND PLANNING

Prepared By: RESOURCES DIVISION

June 2023

#### **NARRATIVE**

County Service Area 34, Zone "G" (CSA 34G), was formed on October 8, 2019. CSA 34G was created for Tract No. 6189, Granville, and is in the Millerton New Town area on the south side of Millerton Road, west of the intersection of Millerton Road and Marina Drive. CSA 34G contains 133 lots of which 25 are developed. It is expected that further development will occur in FY 23-24. Services provided by CSA 34G include water, wastewater, road maintenance, street lighting services, and storm drainage maintenance.

All water treated in the surface water treatment plant and served to CSA 34G, County Service Area 34, Zone A (CSA 34A) County Service Area 34, Zone C (CSA 34C), County Service Area 34, Zone D (CSA 34D), and County Service Area 34, Zone F (CSA 34F) customers is purchased from Arvin Edison Irrigation District through an annual exchange agreement.

#### ANNUAL CHARGES

Revenue projections for FY 23-24 were developed by the assessment engineer during the Proposition 218 procedures as part of the formation of the District.

Monthly fees will be collected on a bi-monthly basis. All water services are metered. The base rate and tiered rate structures for residential usage are identified in the Master Schedule of Fees.

#### SIGNIFICANT CHANGES

Phase II of the Millerton Lake Pumps and Pipeline Project, which primarily includes installation of the second, parallel pipeline, (and now the conduit and SCADA projects) began construction in FY 15-16 and was completed up to the water line as the water was too high to continue. The project has been delayed until the water in the lake goes back down. The Motor Control Center Project for the electrical center controlling the Millerton Lake pumps were upgraded and completed in FY 15-16.

In May 2017, the failed lake pumps and under-performing pump was replaced at a total cost of \$333,994. On May 16, 2017, the County, on behalf of the Districts, entered into a financing agreement with some of the Reservation Holders (J.P.J., Inc. and Table Mountain Rancheria), to finance the repair and replacement of the lake pumps. The Agreement requires benefitting parties to reimburse an amount equal to the funds provided by the Reservation Holders from funds collected by CSA 34, CSA 34A, CSA 34C, CSA 34D, CSA 34F and CSA 34G at 0% interest rate, up to \$333,994, as determined appropriate by the Debt Advisory Committee (DAC). Repayment of this loan began annually in October 2018 and will continue through October 2027. The current balance is \$166,997.

#### PROPOSITION 218

Due to the wide range of services that the County provides in various parts of CSA 34, a

variety of fees and benefit assessments are necessary to fund all of those services. The situation is further complicated by the fact that some facilities and administrative work necessary to provide those services are shared in CSA 34, CSA 34A, CSA 34C and CSA 34D, while other facilities for providing water and sewer services are local to CSA 34A, CSA 34C and CSA 34D. The Assessment Engineer addressed the shared services and updated the Water Contract Assessment. The Board of Supervisors adopted the new assessment for Water Contract and Pump Repair Maintenance on December 11, 2017, with the formation of Zone D. The Assessment Engineer addressed the shared services and updated the Water Contract Assessment. The Board of Supervisors adopted the new assessment for Water Contract and Pump Repair Maintenance on October 8, 2019, with the formation of Zones F and G. The water and sewer fees based on the Consolidated Engineer's Report adopted by the Board of Supervisors during the Prop 218 procedures on January 26, 2015, for all of CSA 34 zones were adopted on March 1, 2016. The last increase in the water and sewer fees for the rate adjustment period was July 1, 2020. The assessments and fees will be re-evaluated in FY 2023-24 for all of CSA 34 and its zones.

### COUNTY SERVICE AREA 34SWTP SURFACE WATER TREATMENT PLANT

FISCAL YEAR 2023-2024

Submitted By: DEPARTMENT OF PUBLIC WORKS AND PLANNING

Prepared By: RESOURCES DIVISION

County Service Area 34 Surface Water Treatment Plant (CSA 34SWTP) is set up as a separate budget that began in FY 16-17 per the rate adjustment procedure which adopted an engineer's report to set fees and assessments within County Service Area 34 (CSA 34), and its Zones A (CSA 34A), C (CSA 34C), D (CSA 34D), F (CSA 34F) and G (CSA 34G) for the surface water treatment plant. The plant currently serves active connections within CSAs 34A, 34C, 34D, and 34G. The plant will serve future zones of benefit within CSA 34 as the development within Millerton New Town continues.

A separate budget for the plant was determined to be the most efficient method of tracking and appropriately sharing the costs between the benefitting zones. This is because CSA 34SWTP does not collect revenues directly from the customers that use the plant. Funds for CSA 34SWTP are budgeted as operating transfers out of the benefit zones' funds.

The water treatment plant began operations in June 2002, upon conveyance from the Developer under Settlement Agreement 02-271. The cost of operations for CSA 34SWTP was budgeted within CSAs 34A, 34C, 34D, and 34G annual budgets until a separate budget was established for the plant.

### WATER PROJECT

In FY 18-19, the plant's capacity increased from treating 350 gallons of water per minute to 800 gallons per minute with the addition of a third Trident Packaged Treatment Plant with a design capacity of 450 gallons per minute.

### WATER QUALITY

On March 6, 2017, the State Water Resources Control Board issued a compliance order for violation of the Stage 2 Disinfection Byproduct Rule Haloacetic Acids Maximum Contaminant Level. Disinfection byproducts form when chlorine, chloramine, chlorine dioxide, or ozone are used for treatment. However, there is no immediate risk associated with the violation and there is no need to use an alternative water supply. The County is taking the necessary steps to remedy this situation and meet all water quality standards.

## COUNTY SERVICE AREA 34WWTF WASTEWATER TREATMENT FACILTY

FISCAL YEAR 2023-2024

Submitted By: DEPARTMENT OF PUBLIC WORKS AND PLANNING

Prepared By: RESOURCES DIVISION

County Service Area 34 Wastewater Treatment Facility (CSA 34WWTF) is set up as a separate budget for the wastewater treatment facility that serves County Service Area 34 (CSA 34), and its Zones A (CSA 34A), C (CSA 34C), D (CSA 34D), F (CSA 34F) and G (CSA 34G) and will serve future zones of benefit within CSA 34 as development within Millerton New Town continues.

A separate budget for the CSA 34WWTF was determined to be the most efficient method of tracking and appropriately distributing the costs associated with wastewater treatment facility to the zones of benefit that are served by the facility. This is because CSA 34WWTF does not collect revenues directly from the customers that use the facility. The different zones of benefit served by the facility also have different fee schedules/assessments in place to pay for wastewater services. Additionally, a portion of the operating funds are anticipated to come from developer(s) and reservation holders that contributed to the capacity within the facility until such time as there are enough users to fully fund the he CSA 34WWTF operations. Funds for CSA 34WWTF are budgeted as operating transfer out funds in the zones of benefit served by the facility. Revenues for CSA 34 WWTF are budgeted as operating transfer in funds.

The wastewater treatment facility began operations in February 2012 upon granting of occupancy to the first completed home within Tract 4870, which encompasses CSA 34C. CSA 34A was also disconnected from the secondary wastewater treatment facility that had been serving it and connected to the new tertiary level treatment facility at that time.

## COUNTY SERVICE AREA 39 ZONE A AND B BERAN WAY - PROSPECT/GROVE

FISCAL YEAR 2023-2024

Submitted By: DEPARTMENT OF PUBLIC WORKS AND PLANNING

Prepared By: RESOURCES DIVISION

County Service Area 39, Zone A (Beran Way) and Zone B (Prospect) (CSA 39AB), was formed in 1990 to provide domestic water service to two residential subdivisions west of the incorporated City of Fresno, near Valentine and Jensen Avenues and includes West Park School (APN: 327-140-377) on 2695 South Valentine. Originally, plans called for similar but physically separate well development projects, one in each zone. Due to subsequent design as well as State and Federal grant requirements, a pipeline system to bring water purchased from the City of Fresno to CSA 39AB was constructed instead. A "Mandatory Connection Ordinance" requires eligible parcels with a dwelling to pay service fees to finance the operations and maintenance of the water system. A parcel is eligible if it paid the original assessment to have a point-of-connection and meter installed in 1993. Although there are two zones of benefit (zone A and B) the district shares one budget for administrative cost efficiencies.

Excluding the school, there are a total of 166 parcels in CSA 39AB of which two are exempt and two are unbuildable. There are 164 meters on 162 parcels. CSA 39AB currently has 141 customer accounts including the school.

### **PROPOSITION 218**

A rate adjustment procedure in FY 20-21 established the current fee structure. The rate includes two components. The first component is a base fee for all water users that covers the cost to operate and maintain the CSA 39AB water system. The second component is a commodity fee for the water itself, based on actual monthly water usage. The fees are billed bi-monthly.

## COUNTY SERVICE AREA 43 RAISIN CITY PARK AND LIGHTING DISTRICT

FISCAL YEAR 2023-2024

Submitted By: DEPARTMENT OF PUBLIC WORKS AND PLANNING

Prepared By: RESOURCES DIVISION

County Service Area 43 (CSA 43) formed in 1991 to provide street lighting and community park maintenance in the unincorporated community of Raisin City. The Raisin City Highway Lighting District previously provided the street lighting services. Raisin City Park and Recreation District provided park maintenance prior to 1989.

The park consists of a 0.98-acre parcel located south of Manning Avenue and west of Ormus Avenue, near Henderson Road. Annual assessments from developed parcels within CSA 43 fund the park maintenance and street lighting services.

There are currently 75 parcels developed with one or more dwellings or structures. This includes the Raisin City Elementary School, which is billed separately for the park maintenance and lighting. CSA 43 also receives a portion of property tax revenues from the State.

### **PROPOSITION 218**

A rate adjustment proceeding was conducted in FY 14-15 to increase park maintenance and street lighting fees. A majority of property owners protested the proposed rates. The residents of CSA 43 have since requested that staff cancel the landscaping contract for the park as a cost savings measure. Residents decided to volunteer to maintain the landscaping of the park to help build up the cash reserves for the district. In FY 15-16 the Citizens Advisory Committee (CAC) stated that the volunteer effort to maintain the park was declining in participation. In FY 22-23, the CAC requested that maintenance and repair work be completed at the park. Tree trimming was completed as well as servicing to the irrigation system. A rate adjustment procedure in accordance with Proposition 218 is anticipated for FY 23-24.

### **GRANTS**

In FY 22-23, Coronavirus State and Local Fiscal Recovery Funds (SLFRF) program, which was authorized by the American Rescue Plan Act, allocated \$400,000 to CSA 43 for improvements to the Raisin City Park. Improvements are expected to be completed by September 30, 2024.

### COUNTY SERVICE AREA 43W RAISIN CITY

FISCAL YEAR 2023-2024

Submitted By: DEPARTMENT OF PUBLIC WORKS AND PLANNING

Prepared By: RESOURCES DIVISION

County Service Area 43 (CSA 43) was authorized the extended power of community water services through a LAFCo public hearing conducted on October 17, 2001. Subsequently, on May 14, 2002, the Board of Supervisors authorized the addition of water service to CSA 43.

CSA 43W has 68 water service accounts, including one for the Raisin City Elementary School, a water fountain located in the Raisin City Park, and a service for the Raisin City baseball facility.

### PROPOSITION 218

In FY 13-14 through a rate adjustment procedure, the Board of Supervisors established increased fees for capital replacement and repair costs such as booster pumps, well pumps, and hydro tank and water tank maintenance. Staff is planning to conduct a rate adjustment procedure in FY 23-24 to account for increased operations and maintenance costs.

### Grants

In FY 22-23, Coronavirus State and Local Fiscal Recovery Funds (SLFRF) program, which was authorized by the American Rescue Plan Act, allocated \$2,000,000 to CSA 43W for well site improvements. SLFRF will fund the design, engineering, planning, environmental review, right-of-way easements, construction, and permitting costs for a new groundwater well site that is necessary to maintain adequate service levels, improve drinking water capacity, and provide adequate fire flow within the community.

### COUNTY SERVICE AREA 44 FRIANT LIGHTING

FISCAL YEAR 2023-2024

Submitted By: DEPARTMENT OF PUBLIC WORKS AND PLANNING

Prepared By: RESOURCES DIVISION

County Service Area 44 (CSA 44) was formed in 1992 to provide street lighting to the community of Friant. CSA 44 was previously administered as the Friant Highway Lighting District. There are 223 parcels in CSA 44 of which 133 are currently developed. Five parcels were consolidated in FY 2004-05. An additional three parcels were consolidated in FY 2019-20.

### ANNUAL CHARGE FOR SERVICE

Street lighting provides a benefit for inhabitants of a community by making nighttime travel safer as they move by foot, bicycle or vehicle within the community. The lighting also provides a benefit through general security. All owners of developed properties share these benefits regardless of zoning or use of their property. The owners of developed property should, therefore, equally share the cost of the service.

Vacant property owners would not benefit from the service since they would not normally be in the area after dark and the lighting would provide little, if any, benefit for security reasons. Therefore, they are excluded from the charge for service.

# COUNTY SERVICE AREA 44 ZONE "A" MILLERTON LAKE MOBILE HOME VILLAGE SEWER DISTRICT FRIANT, CA

FISCAL YEAR 2023-2024

Submitted By: DEPARTMENT OF PUBLIC WORKS AND PLANNING

Prepared By: RESOURCES DIVISION

County Service Area 44, Zone "A" (CSA 44A) encompasses the Millerton Lake Mobile Home Village located in Friant, CA, and was formed in 1992, to assume operation of the existing sewer treatment facility. There are 104 parcels in CSA 44A. Of these, 98 are developed, leaving one vacant parcel and 5 outlots. The benefit of sewer service to the 98 developed parcels is relatively equal since all are mobile homes.

In FY 2016-17, a security railing was installed around the perimeter of the existing wastewater treatment plant.

### **PROPOSITION 218**

The Board of Supervisors adopted increased sewer fees on March 6, 2007, in accordance with Proposition 218 due to the lack of a majority protest by property owners of CSA 44A. The incremental increased fees were billed to the property owners on March 31, 2007. The full amount of the increased fees was included in the FY 07-08 property tax bills and thereafter annually.

### **GRANTS**

In FY 22-23, Coronavirus State and Local Fiscal Recovery Funds (SLFRF) program, which was authorized by the American Rescue Plan Act, allocated \$250,000 to CSA 44A for improvements to the Friant Mobile Home Trailer Park Sewer Facility Improvements are expected to be completed by September 30, 2024.

COUNTY SERVICE AREA 44
ZONE "C"
RIVER VIEW SUBDIVISION

FISCAL YEAR 2023-2024

Submitted By: DEPARTMENT OF PUBLIC WORKS AND PLANNING

Prepared By: RESOURCES DIVISION

On February 23, 1999, the Board of Supervisors approved formation of County Service Area 44, Zone "C" (CSA 44C) to provide water service to the River View Subdivision, located east of Friant Road and Lost Lake Park, approximately one mile south of the community of Friant. This subdivision is also known as the Tanqueray Subdivision. The subdivision consists of 12 residential lots and one common area covering approximately 30 acres.

The Tanqueray Subdivision is a gated community; therefore, the roads within the subdivision are maintained by a Homeowner's Association and not by CSA 44C. Appropriations are included in program number 91083 for a tank replacement project.

### **PROPOSITION 218**

Current fees for potable water service were established pursuant to Proposition 218 proceedings on May 1, 2002. Separate rate structures were established for residential and landscaping irrigation use. Additionally, a rate was also established for landscaping irrigation in the common area lot.

## COUNTY SERVICE AREA 44 ZONE "D" MONTE VERDI ESTATES SUBDIVISION

FISCAL YEAR 2023-2024

Submitted By: DEPARTMENT OF PUBLIC WORKS AND PLANNING

Prepared By: RESOURCES DIVISION

County Service Area 44, Zone "D" (CSA 44D) was formed on February 23, 1999, to provide water and sewer services to the Monte Verdi Estates Subdivision. The subdivision consists of 125 residential lots, located on Willow Avenue just south of Friant Road.

The Homeowner's Association (HOA) maintains the roads and landscape irrigation system within the subdivision.

CSA 44D provides water and sewer services to 125 homes. Water is also provided to the common landscaped areas, the median entrance and landscaping along the roadway that the Monte Verdi HOA oversees.

Improvements to the wastewater treatment facility, program number 91083, were completed in FY 2019-20 and the facility is currently producing Title 22 quality water (reclaim water). The Title 22 report and the updated Wastewater Discharge Requirements (WDRs) received conditional State approval to use the recycled water for irrigation purposes. The conditional approval was contingent upon improvements to the reclaim system prior to using the reclaim water. In the interim, the reclaim water was discharged to the CSA 44D leach field and potable water was used for irrigation. Recycled water will begin being used for irrigation in the Spring of 2023.

### **PROPOSITION 218**

On November 5, 2013, through the Proposition 218 process, the Board of Supervisors adopted Resolution 13-438 and 13-439 establishing fee increases to fund the operations and maintenance of the community water and sewer services and address the replacement/repair of known capital components in the upcoming years. Increased fees included an annual inflation factor of 3.12%. Department staff also secured a State Revolving Fund loan and a Water Recycling Fund Program Grant to complete improvements for the wastewater facility. Construction for the project began in FY 2018-19 and was completed in FY 2019-20. Repayment of the State Revolving Fund loan was secured by an assessment in FY 2020-21, which will be paid over the 30-year term of the loan. The last increase in the water and sewer fees was January 1, 2014. The fees will be re-evaluated in FY 2023-24 for CSA 44D.

## COUNTY SERVICE AREA 47 QUAIL LAKE ESTATES

FISCAL YEAR 2023-2024

Submitted By: DEPARTMENT OF PUBLIC WORKS AND PLANNING

Prepared By: RESOURCES DIVISION

County Service Area 47 (CSA 47) was formed in 1995 to provide community water and sewer services to the Quail Lake Estates Subdivision located between Ashlan and Shaw Avenues, east of McCall Avenue. CSA 47, which encompasses approximately 375 acres, includes 708 residential lots, a community clubhouse, an elementary school, and a commercial parcel (APN 571-041-09s) zoned C-1-c (conditional) located at the intersection of Shaw Avenue and Quail Lake Drive.

Sewer service provided to the elementary school is charged a flat rate multiplied by the number of students, faculty, and staff at the school, as estimated by Sanger Unified School District (SUSD). SUSD is billed once annually, after the beginning of the school year, once a "final" count of the students, faculty, and staff occupying the school has been calculated. During FY 2020-21 SUSD was not charged for sewer because school was not in session due to the COVID pandemic. The commercial parcel is not charged for water and sewer service at this time as it is vacant and is not anticipated to be developed for a number of years.

CSA 47 is the primary administrator of the water recharge facility located within the Red Bank Slough, but the Quail Lake Owners Association (QLOA) and Fresno Irrigation District (FID) also play a role in administering this facility per Agreement 05-068. Per the Agreement, FID is to fill the recharge facility between April 15 and June 1, with the goal of recharging 400 or more acre-feet of water each year, except in the case of a severe drought when the water is unavailable.

#### SIGNIFICANT CHANGES FOR FY 22-23

#### Water Facilities

In FY 2022-23, CSA 47 experienced four under road water mains breaks during the FY, which cost the district \$94,737. Repairing water mains is costly because most water line repairs include removing asphalt and dirt to uncover the failure and then rebuilding the road back to its original condition to complete the project.

During the annual cross control connection inspections, one backflow device found to be in failure and was rebuilt at a cost of approximately \$8,500. There was also one backflow device repaired at a cost of approximately \$1,625.

In October 2022, at a cost of \$5,745, staff had the landscaper remove and replant 5 trees, install several bushes and flowers in and around the water facility to bring the ascetics back up to standard.

#### Wastewater Facilities

At the end of FY 2021-22, a barrel screen project was completed, where the barrel screens were rebuilt at a cost of approximately \$86,000. This rebuild seems to have slightly decreased sludge pumping costs in FY 2022-23, by about 10% over the record high sludge pumping costs in FY 2021-22 (detailed below).

Since FY 2020-21, there have been constant high flows at the CSA 47 wastewater plant, causing sludge pumping services to be increased by more than 150%: from 4 loads to 10 + loads per week. Staff anticipates sludge pumping costs to increase for FY 2023-24 based on the consistent increase in cost over the last three years. For FY 2019-20, the cost for sludge pumping services was \$203,819.83; for FY 2020-21, the cost was \$327,599.75; for FY 2021-22, the cost was \$368,124.58, and it is anticipated to be \$328,920, which is an 62% increase over FY 19-20, but a decrease over FY 2021-22, due to the Barrel Screen Project mentioned above.

CSA 47 staff has hired an on-call engineering consultant to provide alternative long-term solutions to the challenges that the wastewater facilities are facing. In FY 2022-23, the engineering consultant that was hired to complete an analysis on the wastewater facilities, MKN & Associates, will provide a detailed proposal on the options available to CSA 47 to resolve the wastewater facility overflow issues. In FY 2023-24, staff will work with the QLOA/Citizens Advisory Committee and the community to determine which option is the most feasible to solve the increased flow and sludge pumping and once a solution has been chosen, staff will conduct a Proposition 218 proceeding, if required.

#### Redbank Slough Recharge Facility

In FY 2022-23, the Redbank Slough Recharge Facility received approximately 200 AF of flood water runoff, after the flood season ended.

Throughout the year, it is required for CSA 47 to clean the Redbank Slough to avoid any obstruction to water flow. The cost to clean up the Redbank Slough, prepare the slough for mosquito abatement, cut back some trees growing from the slough and clean up and haul away dead trees, was approximately \$12,500.

#### PROPOSITION 218

The current water and wastewater service rates became effective on November 1, 2016, as approved by the Board of Supervisors on September 13, 2016, pursuant to State Proposition 218 guidelines. The newly restructured water fee and increased sewer fee includes an inflation adjustment of 3.0% annually over a five-year period.

Due to the increased costs over the past few years, in FY 2023-24, CSA 47 anticipates that a rate adjustment proceeding will be conducted following the Proposition 218 guidelines.

#### COUNTY SERVICE AREA 49 FARMING COMMUNITY OF J. E. O'NEILL

FISCAL YEAR 2023-2024

Submitted By: DEPARTMENT OF PUBLIC WORKS AND PLANNING

Prepared By: RESOURCES DIVISION

County Service Area 49 (CSA 49) formed on March 27, 2001 to provide water services and local park/recreation services to the farming community of J.E. O'Neill located approximately 3 miles southwest of the community of Five Points. Currently, the district provides only water services. CSA 49 consists of 46 connections: Westside Elementary School, a day care center, 3 commercial operations, a market, and 40 residences. The district's first budget was in FY 03-04 for preparing a preliminary engineer's report needed for an application to obtain State Revolving Funds for constructing upgraded water treatment facilities.

State and Federal funds as well as a Community Development Block grant funded the construction of the water system. Construction completed and the system became operational in September 2010.

#### PROPOSITION 218

Through a rate adjustment procedure in FY 06-07, the Board of Supervisors approved the engineer's report and its proposed annual assessments.

The assessments have two components. One is for the operations and maintenance of the water system. The other component of the assessment is for the capital cost of debt service.

In FY 09-10 the Board of Supervisors adopted monthly base and tiered water fees through a rate adjustment procedure after a finding was made that there was not a majority protest. The fees are billed bi-monthly.

A rate adjustment procedure is planned for FY 23-24.

#### CHARGES FOR WATER

CSA 49 purchases raw water from Westlands Water District (Westlands). Since 2014, the fees for Municipal and Industrial raw water have greatly fluctuated which has caused financial instability for the district. The most recent rate change occurred in March 2023 when rates were changed to \$325.22 per acre foot.

#### **GRANT**

The CSA 49 system received a Compliance Order # 03-23-12O-012 on October 30, 2012 that was replaced by Compliance Order # 03-23-14R-025 on November 7, 2014 due to Trihalomethanes (TTHM) violations. That Compliance Order was recently replaced by Compliance order # 03\_23\_17RA\_008-A1. The district also received Compliance Order # 03-23-13R-006 due to Haloacetic Acid Five (HAA5) violations on August 27, 2013. The surface water treatment plants at CSAs 30 and 32 have similar disinfection byproduct issues. The system is old and may not provide optimal total organic carbon (TOC) reduction to help in control of the byproducts. Contact time (CT)

may not be achieved under all conditions according to the permit issued by State Water Resources Control Board (SWRCB) in January 2010.

In FY 16-17, district received State funds to improve the surface water treatment facility. Due to high operations and maintenance costs to treat surface water, the grant is funding the planning, design, and construction of a pilot well. In FY 20-21, staff applied for funds to construct 2 permanent wells to fully transition the district to groundwater, program number 91225.

## COUNTY SERVICE AREA 50 AUBERRY VOLUNTEER FIRE AND EMERGENCY MEDICAL SERVICES

FISCAL YEAR 2023-2024

Submitted By: DEPARTMENT OF PUBLIC WORKS AND PLANNING

Prepared By: RESOURCES DIVISION

County Service Area 50 (CSA 50) was formed on June 18, 2003, to provide needed fire protection and emergency services for the Auberry community. The Auberry Volunteer Fire Department has been providing these services to the Auberry area since 1957 but formed a County Service Area as a means of providing a stable revenue stream in lieu of relying solely on financial donations from the community.

There are approximately 1,230 parcels within the service area, which include single family homes, commercial properties (i.e., stores, offices, restaurants, garages, and service stations), mobile home parks, agricultural lands, and vacant parcels.

The "Charges for Services" is collected through the property tax rolls

#### AUBERRY VOLUNTEER FIRE DEPARTMENT

The contract between the County of Fresno on behalf of CSA 50 and the Auberry Volunteer Fire Department was approved by the Board of Supervisors on June 22, 2021. The information below reflects the terms of the contract:

Auberry Volunteer Fire Department

Fiscal Year	Base Reimbursement	Maximum Reimbursement

## COUNTY SERVICE AREA 35 ZONE "A" PORTION OF TRACT 2157- SQUAW VALLEY RANCHOS

FISCAL YEAR 2023-2024

Submitted By: DEPARTMENT OF PUBLIC WORKS AND PLANNING

Prepared By: RESOURCES DIVISION

County Service Area 35, Zone "A" was formed in 1987 with the first budget in FY 1987-88 to provide maintenance of the 06.64 miles of private roadways. This Zone is located between the communities of Yokuts Valley and Dunlap, south of Ruth Hill Road. The Zone encompasses a portion of Tract 2157, Squaw Valley Ranchos, and contains 1,115 acres subdivided into 191 parcels.

#### **PROPOSITION 218**

Prior to formation of CSA 35A, the Board of Supervisors accepted the Engineer's report, and a public hearing was conducted in accordance with Proposition 218 provisions.

#### MAINTENANCE

Some roadwork that was previously planned in FY 2020-21 was completed in FY 2021-22, and in FY 2022-23. There were also some emergency road repairs completed in FY 2022-23. For FY 2023-24, the Zone increased appropriations as a contingency for any unforeseen maintenance costs.

COUNTY SERVICE AREA 35
ZONE "AG"
WILDFLOWER VILLAGE
TRACTS 3959, 4914 5024, 5319 AND 5186

FISCAL YEAR 2023-2024

Submitted By: DEPARTMENT OF PUBLIC WORKS AND PLANNING

Prepared By: RESOURCES DIVISION

County Service Area 35, Zone "AG" was formed in 1994 with the first budget in FY 2001-02 to provide road maintenance and snow removal for roadways in this Zone. This Zone is located off Highway 168 in south Shaver Lake. Tracts 3959 (Phase 1) and 4914 (Phase 2) serve 77 lots and 1.871 miles. Tract 5024 (Phase 3) was added on October 29, 2002 and serves an additional 35 lots and 0.606 miles. Tract 5319 (Phase 4) was added on August 5, 2004 and serves an additional 20 lots and 0.150 miles. Tract 5186 (Phase 5) was added on September 26, 2005 and serves an additional 44 lots and 0.623 miles. The Zone now includes 3.26 miles of roadway and 176 parcels.

### PROPOSITION 218

The Board of Supervisors adopted an assessment increase at a public hearing on October 14, 2014, pursuant to Proposition 218 requirements. Property owners of the Zone requested the increase in order to complete road repairs in FY 2015-16.

# **MAINTENANCE**

The Zone had significant dig outs and an overlay completed in FY 2016-17 and an overlay for another portion of roadway in FY 2019-20.

For FY 2023-24, the Zone increased appropriations for potential road work and as a contingency for any unforeseen maintenance costs or an above average snow season.

COUNTY SERVICE AREA 35 ZONE "AJ" PARCEL MAP 7644

FISCAL YEAR 2023-2024

Submitted By: DEPARTMENT OF PUBLIC WORKS AND PLANNING

Prepared By: RESOURCES DIVISION

County Service Area 35, Zone "AJ" was formed in 1997 with the first budget in FY 1999-00 to provide maintenance of the 0.33 miles of private roadway. The original Parcel Map contained 4 parcels. Annexation 1 was approved by the Board of Supervisors on March 25, 2008. The annexation included Parcel Map 8027 and 13 other benefiting parcels for a total of 17 parcels. In FY 2014-15, the Board of Supervisors approved adding 7 benefitting parcels to the zone, increasing the number to 24. In FY 2016-17, an annexation was conducted but was protested by the residents. In FY 2019-20, the Board of Supervisors approved a boundary change, bringing the total parcels assessed to 26. In FY 2018-19, various sections of the road were patched. In FY 2020-21, there were sections of the road slurry sealed. There were two parcels that were split during this year increasing the number of parcels to 28.

### **PROPOSITION 218**

Prior to formation of CSA 35AJ, the Board of Supervisors accepted the Engineer's report, and a public hearing was conducted in accordance with Proposition 218 provisions. In FY 2014-15, a Proposition 218 was initiated due to a parcel spilt within the Zone. On May 19, 2015, the Board of Supervisors approved the Proposition 218 after there was not a majority protest. In FY 2019-20 a boundary change proceeding process took place. On July 9, 2019, the Board of Supervisors approved a boundary change and levied an assessment after there was not a majority protest.

# **MAINTENANCE**

No major roadwork was completed in FY 2022-23. For FY 2023-24, the Zone increased appropriations as a contingency for any unforeseen maintenance costs.

COUNTY SERVICE AREA 35 ZONE "AK" TRACT 4087, WOODY LANE

FISCAL YEAR 2023-2024

Submitted By: DEPARTMENT OF PUBLIC WORKS AND PLANNING

Prepared By: RESOURCES DIVISION

County Service Area 35, Zone "AK" was formed in 1991 with the first budget in FY 1992-93 to provide road maintenance and snow removal for the 0.17 miles of private roadways (Woody Lane). This Zone is located south of State Highway 168 in the Shaver Lake area. The Zone was created for Tract 4087 and contains approximately 14.4 acres divided into 10 parcels.

# **PROPOSITION 218**

A Proposition 218 was passed by Zone AK in FY 2013-14 increasing the assessment effective in FY 2014-15. Each Fiscal Year has an inflation factor of CPI-U+2%, not to exceed 5%.

## **MAINTENANCE**

No major roadwork was completed in FY 2022-23. For FY 2023-24, the Zone increased appropriations for a potential overlay and as a contingency for any unforeseen maintenance costs or an above average snow season.

COUNTY SERVICE AREA 35
ZONE "AS"
(DOGWOOD MOUNTAIN SUBDIVISION)

FISCAL YEAR 2023-2024

Submitted By: DEPARTMENT OF PUBLIC WORKS AND PLANNING

Prepared By: RESOURCES DIVISION

County Service Area 35, Zone "AS" (CSA 35AS) was formed on August 26, 2008 with the first budget in FY 2008-09 to maintain 6.3 miles in the existing Dogwood Mountain subdivision. Eight roads benefit from road maintenance and snow removal. They are North and South Applewine, Woodland, Solitude Lane, Big Shuteye, Little Shuteye, Big Thumper, and Little Thumper. There are currently 102 parcels in the Zone, three of which are owned by the County. The three County owned parcels in CSA 31B and WWD 41S are charged the Road Assessment through a Special Billing.

## PROPOSITION 218

Prior to formation of CSA 35AS, the Board of Supervisors accepted the Engineer's reports, and a public hearing was conducted in accordance with Proposition 218 provisions.

## MAINTENANCE

Several patches were placed in FY 2018-19. In FY 2019-20 the District budgeted for an overlay of Woodland Road. After bid for the overlay were received the District decided not to proceed with the road work. In FY 22-23 the District had an emergency road repair on a large pothole. For FY 2023-24, the Zone increased appropriations for potential dig-outs, other needed road work, and as a contingency for any unforeseen maintenance costs or an above average snow season.

COUNTY SERVICE AREA 35 ZONE "AT" TRACT 4746, 4773 & 5218

**FISCAL YEAR 2023-2024** 

Submitted By: DEPARTMENT OF PUBLIC WORKS AND PLANNING

Prepared By: RESOURCES DIVISION

County Service Area 35, Zone "AT" was formed in 1997 with the first budget in FY 1999-00 to maintain the 1.20 miles of private roadways and provide snow removal services to these roads. These roads are Bretz Road, Blue Canyon Road, and Forest Run Lane. This Zone is located in the community of Shaver Lake. The tract contains 44 parcels. Annexation 1 was added on December 14, 2004 and contains 51 parcels within Tracts 4773 and 5218. Annexation 2 was added on August 15, 2006 and contains 16 additional parcels within the previously approved Tentative Tract Map 4773. Annexation 3 was added on December 6, 2011 as a requirement through Certificate of Compliance 3454 and contains 1 additional assessed parcel (APN 130-920-30&31 are to be assessed as one lot). The Zone now contains 112 parcels.

## **PROPOSITION 218**

Prior to formation of CSA 35AT, the Board of Supervisors accepted the Engineer's report and a public hearing was conducted in accordance with Proposition 218 provisions. There were subsequent annexations to CSA 35AT following the same procedure.

## **MAINTENANCE**

Minor crack sealing and brushing was completed in FY 2016-17. In FY 2019-20 the Zone completed an overlay on Bretz Road.

For FY 2023-24, the Zone increased appropriations for crack sealing, slurry sealing and as a contingency for any unforeseen maintenance costs or an above average snow season.

COUNTY SERVICE AREA 35 ZONE "AV" PARCEL MAP NO. 7496

FISCAL YEAR 2023-2024

Submitted By: DEPARTMENT OF PUBLIC WORKS AND PLANNING

Prepared By: RESOURCES DIVISION

County Service Area 35, Zone "AV" was formed in 1993 with the first budget in FY 1995-96 to provide maintenance of the included 0.20 miles of Sweet Lane Road. This Zone is located east of the City of Clovis. The Zone encompasses Parcel Map 7496 and contains 9.89 acres subdivided into 5 parcels.

## **PROPOSITION 218**

Prior to formation of CSA 35AV, the Board of Supervisors accepted the Engineer's report, and a public hearing was conducted in accordance with Proposition 218 provisions.

## MAINTENANCE

A crack seal and slurry seal were completed on the road in FY 2018-19. No major roadwork was completed in FY 2022-23. For FY 2023-24, the Zone increased appropriations as a contingency for any unforeseen maintenance costs.

# COUNTY SERVICE AREA 35 ZONE "B" PORTION OF TRACT 2279 - CALIFORNIA SIERRA HIGHLANDS 3 AND TRACT 2240- BONADELLE SIERRA HIGHLANDS

FISCAL YEAR 2023-2024

Submitted By: DEPARTMENT OF PUBLIC WORKS AND PLANNING

Prepared By: RESOURCES DIVISION

County Service Area 35, Zone "B" was formed in 1987 with the first budget in FY 1988-89 is to provide maintenance of 19.28 miles of private roadways. This Zone is located in the Dunlap-Squaw Valley area of Fresno County. Zone "B" contains part of Tract 2279, California Sierra Highlands 3, part of Tract 2240, and Bonadelle Sierra Highlands, and contains 3,077 acres, subdivided into 549 parcels.

#### **PROPOSITION 218**

Prior to formation of CSA 35B, the Board of Supervisors accepted the Engineer's report and a public hearing was conducted in accordance with Proposition 218 provisions.

#### **MAINTENANCE**

In FY 2015-16 the Zone had extensive road work done in preparation for chip seals that was done in FY 2016-17. That work included patching, shoulder work, tree trimming, sweeping, and doing a dig out in the Zone. In FY 2016-17, the Zone had roadwork done that included patching, blade patches, sweeping, crack sealing, tree trimming, chip sealing and more. In FY 2020-21, and continued through to FY 2021-22, the zone had bushes trimmed, replaced street signs, repaired potholes, and paved some roads.

Some roadwork that was previously planned in FY 2021-22 and completed in FY 2022-23. There were also some emergency road repairs completed in FY 2022-23. The Zone increased appropriations for FY 2023-24 as a contingency for any unforeseen maintenance costs.

## COUNTY SERVICE AREA 35 ZONE "BG" NEES AVENUE EXTENSION & FMFCD

**FISCAL YEAR 2023-2024** 

Submitted By: DEPARTMENT OF PUBLIC WORKS AND PLANNING

Prepared By: RESOURCES DIVISION

County Service Area 35, Zone "BG" was formed in 1993 with the first budget in FY 1995-96 to provide maintenance on the included 2.20 miles of roadway. This Zone is located east of the City of Clovis. The Zone contains 8.52 acres. Annexation 2 was approved by the Board of Supervisors on October 21, 2008. Currently there are 27 parcels.

#### **PROPOSITION 218**

Prior to formation of CSA 35BG, the Board of Supervisors accepted the Engineer's report and a public hearing was conducted in accordance with Proposition 218 provisions.

#### **MAINTENANCE**

In FY 2018-19, minor patch work was completed on the road. Some emergency roadwork was completed in FY 2022-23 due to a major flooding event. For FY 2023-24, the Zone increased appropriations as a contingency for any unforeseen maintenance costs.

COUNTY SERVICE AREA 35
ZONE "C"
PORTION OF SQUAW VALLEY RANCHOS 5
TRACT 2202

FISCAL YEAR 2023-24

Submitted By: DEPARTMENT OF PUBLIC WORKS AND PLANNING

Prepared By: RESOURCES DIVISION

County Service Area 35, Zone "C" was formed in 1987 with the first budget in FY 1988-89 to provide maintenance of the included 2.5 miles of private roadways. This Zone is located near the community of Yokuts Valley, southwest of George Smith Road. The Zone encompasses a portion of Tract 2202, Squaw Valley Ranchos 5, and contains 328.6 acres subdivided into 65 parcels.

## **PROPOSITION 218**

Prior to formation of CSA 35C, the Board of Supervisors accepted the Engineer's report and a public hearing was conducted in accordance with Proposition 218 provisions.

### **MAINTENANCE**

In FY 2015-16 the Zone had crack sealing, patching, and sweeping done in preparation of a chip seal to be done in FY 2016-17. In FY 2016-17 the Zone had roadwork completed that included further crack sealing in some areas, patching minor sinkholes, and a chip seal. No major roadwork was completed in FY 2022-23. For FY 2023-24, the Zone increased appropriations as a contingency for any unforeseen maintenance costs.

COUNTY SERVICE AREA 35 ZONE "CD" (TRACT 4932, 5403 AND 5485 TIMBER RIDGE)

FISCAL YEAR 2023-2024

Submitted By: DEPARTMENT OF PUBLIC WORKS AND PLANNING

Prepared By: RESOURCES DIVISION

County Service Area 35, Zone "CD" was formed in 2004 with the first budget in FY 2005-06. The Zone is located south of Shaver Lake, approximately one mile southeast of State Route 168 on Bretz Road and provides maintenance and snow removal for 0.49 miles of roadway including Timber Ridge Lane and Bretz Road. The Zone encompasses Tract Maps 4932 and 5403. There are currently 56 parcels in this Zone, one parcel is tax exempt and not assessed.

### **PROPOSITION 218**

Prior to formation of CSA 35CD, the Board of Supervisors accepted the Engineer's report and a public hearing was conducted in accordance with Proposition 218 provisions.

### **MAINTENANCE**

In FY 2017-18 a dig-out and patching was completed along the upper portion of Timber Ridge. In FY 2019-20 the Zone completed an overlay on Bretz Road. In FY 22-23 the Zone completed a repair to a deteriorated cul-de-sac.

For FY 2023-24, the Zone increased appropriations for crack sealing, slurry sealing, and as a contingency for any unforeseen maintenance costs or an above average snow season.

COUNTY SERVICE AREA 35 ZONE "CG" (TRACT MAP 5322) BIOLA

**FISCAL YEAR 2023-2024** 

Submitted By: DEPARTMENT OF PUBLIC WORKS AND PLANNING

Prepared By: RESOURCES DIVISION

County Service Area 35, Zone "CG" was formed in 2006 with the first budget in FY 2007-08 for the maintenance of 0.67 miles of roads and a storm drain system. The roads include "A" Street, "B' Street, "C" Street, North Fourth Street and North Raisin Street. The Zone was created by Tract Map 5322 and is located south of West Shaw Ave and east of North Third Street. The Zone contains 58 parcels for road maintenance and 2 parcels for the storm drain system. There are currently 60 parcels in this Zone.

# **PROPOSITION 218**

Prior to formation of CSA 35CG, the Board of Supervisors accepted the Engineer's report, and a public hearing was conducted in accordance with Proposition 218 provisions.

## MAINTENANCE

The Zone slurry sealed the road in FY 2018-19. No major roadwork was completed in FY 2022-23 or is planned for FY 2023-24. In the FY 2023-24 budget, appropriations include a \$30,000 contingency for any unforeseen maintenance costs.

County Service Area 35, Zone "CI" was formed in 2006 with the first budget in FY 2007-08 to maintain 1.75 miles of roadway including Rhinestone Lane and Garnet Lane. The Zone was created by Tract Map 5276 and is located in the Bretz Mountain Village area of Shaver Lake. The Zone originally had 104 parcels, 2 parcels merged, and the Zone now has 103 assessed parcels.

## **PROPOSITION 218**

Prior to formation of CSA 35CI, the Board of Supervisors accepted the Engineer's report and a public hearing was conducted in accordance with Proposition 218 provisions.

## MAINTENANCE

In FY 2019-20 the Zone completed an overlay on Bretz Road. For FY 2023-24, the Zone increased appropriations for crack sealing, slurry sealing, other potential road work, and as a contingency for any unforeseen maintenance costs or an above average snow season.

# COUNTY SERVICE AREA 35 ZONE "CN" TRACT MAP 5397 PENDLETON & TROUTDALE, RIVERDALE

FISCAL YEAR 2023-2024

Submitted By: DEPARTMENT OF PUBLIC WORKS AND PLANNING

Prepared By: RESOURCES DIVISION

County Service Area 35, Zone "CN" was formed in 2006 with the first budget in FY 2007-08 to maintain 0.64 miles of roadway including Pendleton and Troutdale streets and provides storm drainage maintenance. The Zone was created by Tract Map 5397 and is located north of Mt. Whitney Avenue and east of Blythe Avenue near the town of Riverdale. Per the Engineer's Report, Zone "CN" will maintain the storm drainage basin, as well as provide for a small proportionate contribution toward Zone "BJ" to provide some of the maintenance for Stathem Street. The Zone contains 75 parcels.

### **PROPOSITION 218**

Prior to formation of CSA 35CN, the Board of Supervisors accepted the Engineer's report, and a public hearing was conducted in accordance with Proposition 218 provisions.

# **MAINTENANCE**

The Zone slurry sealed the road in FY 2018-19. No major roadwork was completed in FY 2022-23 or is planned for FY 2023-24. In the FY 2023-24 budget, appropriations include a \$30,000 contingency for any unforeseen maintenance costs.

COUNTY SERVICE AREA 35 ZONE "CV"

PROPOSED ANNUAL CHARGE

FISCAL YEAR 2023-2024

Submitted By: DEPARTMENT OF PUBLIC WORKS AND PLANNING

Prepared By: RESOURCES DIVISION

County Service Area 35, Zone "CV" was formed on December 18, 2007 with the first budget in FY 2008-09 to maintain 0.20 miles of East Courtland Avenue. The Zone was created by Tract Map 5334. The Zone contains 6 parcels.

#### PROPOSITION 218

Prior to formation of CSA 35CV, the Board of Supervisors accepted the Engineer's report and a public hearing was conducted in accordance with Proposition 218 provisions.

#### MAINTENANCE

In FY 2019-20 the Zone completed a slurry seal on the road. No major road work was completed in FY 2022-23. For FY 2023-24, the Zone increased appropriations as a contingency for any unforeseen maintenance costs.

# COUNTY SERVICE AREA 35 ZONE "F" PORTION OF TRACT 2272- CALIFORNIA SIERRA HIGHLANDS

FISCAL YEAR 2023-2024

Submitted By: DEPARTMENT OF PUBLIC WORKS AND PLANNING

Prepared By: RESOURCES DIVISION

County Service Area 35, Zone "F" was formed in 1988 with the first budget in FY 1988-89 to provide maintenance of the included 7.42 miles of private roadways. This Zone is located near Burrough Valley. The Zone encompasses a portion of Tract 2272, California Sierra Highlands, and contains 1,174 acres subdivided into 219 parcels, however, only 213 parcels are assessed.

#### **PROPOSITION 218**

Prior to formation of CSA 35F, the Board of Supervisors accepted the Engineer's report, and a public hearing was conducted in accordance with Proposition 218 provisions.

#### MAINTENANCE

The Zone had a road failure that was repaired in FY 2017-18. Several patches were done during FY 2018-19, FY 20-21, FY 21-22, and FY 22-23. For FY 2023-24, the Zone increased appropriations as a contingency for any unforeseen maintenance costs.

#### COUNTY SERVICE AREA 35 ZONE "K" PORTION OF FRIANT EXPRESSWAY

FISCAL YEAR 2023-2024

Submitted By: DEPARTMENT OF PUBLIC WORKS AND PLANNING

Prepared By: RESOURCES DIVISION

County Service Area 35, Zone "K" was formed in 1989 with the first budget in FY 1990-91 to maintain the reconstructed 0.92 miles of roadways in the three cul-de-sac areas off the Friant Expressway near Willow Avenue. This area encompasses 54 acres divided into 17 parcels.

#### **PROPOSITION 218**

Prior to formation of CSA 35K, the Board of Supervisors accepted the Engineer's report and a public hearing was conducted in accordance with Proposition 218 provisions.

#### MAINTENANCE

In FY 2014-15, a crack seal, patching, and shoulder work was completed. No major roadwork was completed in FY 2022-23. For FY 2023-24, the Zone increased appropriations as a contingency for any unforeseen maintenance costs.

# COUNTY SERVICE AREA 35 ZONE "N" TRACT 2238-PORTION OF VALERIE MEADOWS

FISCAL YEAR 2023-2024

Submitted By: DEPARTMENT OF PUBLIC WORKS AND PLANNING

Prepared By: RESOURCES DIVISION

County Service Area 35, Zone "N" was formed in 1997 with the first budget in FY 1997-98 to provide maintenance of the 0.94 miles of private roadways. These roads are Cherokee Lane and Aztec Lane. This Zone is located at Cherokee Road and Aztec Lane. The Zone encompasses Tract 2238 and contains 23 parcels.

#### **PROPOSITION 218**

Prior to formation of CSA 35N, the Board of Supervisors accepted the Engineer's report, and a public hearing was conducted in accordance with Proposition 218 provisions.

#### **MAINTENANCE**

The Zone had a road failure at the end of FY 17-18 which was repaired in FY 2018-19. For FY 2023-24, the Zone increased appropriations as a contingency for any unforeseen maintenance costs.

FISCAL YEAR 2023-2024

Submitted By: DEPARTMENT OF PUBLIC WORKS AND PLANNING

Prepared By: RESOURCES DIVISION

County Service Area 35, Zone "O" was formed in 1989 with the first budget in FY 1989-90 and provides road maintenance and snow removal for 2.81 miles of private roadways. This Zone is located in the Shaver Lake area. The Zone encompasses Tract Maps 3889, 4185, 4205, 4399, 4551, 4731, 4843, and 4891. There are currently 179 parcels in this Zone.

#### PROPOSITION 218

A Proposition 218 was passed by Zone O in FY 2011-12 increasing the assessment effective in FY 2011-12.

#### **MAINTENANCE**

The Zone completed slurry seals in FY 2016-17. For FY 2023-24, the Zone increased appropriations to complete a crack filling and as a contingency for any unforeseen maintenance costs, potential CAC requested road work, or an above average snow season.

COUNTY SERVICE AREA 35 ZONE "U" TRACTS 4247, 3805, & 3972 OCKENDEN RANCH

**FISCAL YEAR 2023-2024** 

Submitted By: DEPARTMENT OF PUBLIC WORKS AND PLANNING

Prepared By: RESOURCES DIVISION

County Service Area 35, Zone "U" was formed in 1990 with the first budget in FY 1991-92. This Zone is located in the Shaver Lake area and maintains a total of 0.67 miles of private roadways that includes Heartwood, Cedar Ridge, Cold Spring, and Silverpine Lanes. This Zone encompasses Tract Maps 3972 (Ockenden Ranch), 4247 and 3805. There are currently 77 parcels in this Zone.

#### **PROPOSITION 218**

Prior to formation of CSA 35U, the Board of Supervisors accepted the Engineer's report, and a public hearing was conducted in accordance with Proposition 218 provisions.

#### MAINTENANCE

No major roadwork was completed in FY 2022-23. For FY 2023-24, the Zone increased appropriations as a contingency for any unforeseen maintenance costs.

# COUNTY SERVICE AREA 35 ZONE "V" TRACTS 4175, 4324 & 4426 MUSICK FALLS & MUSICK RIDGE

**FISCAL YEAR 2023-2024** 

Submitted By: DEPARTMENT OF PUBLIC WORKS AND PLANNING

Prepared By: RESOURCES DIVISION

County Service Area 35, Zone "V" was formed in 1990 with the first budget in FY 1991-92 and provides snow removal and road maintenance for one mile of private roadways. The Zone encompasses Tract Maps 4175, 4324 and 4426. This Zone is located in the Shaver Lake area. There are currently 84 parcels in this Zone. TT 6048 and 6035 are scheduled to be annexed into CSA 35V by FY 2024-25.

#### SUNROCK HOA AGREEMENT

The Sunrock Homeowners Association has a cost sharing agreement with the Zone to pay for a proportionate share of the costs for the improvement, operations and/or maintenance of the shared portion of Ockenden Ranch Road. Sunrock's annual assessment is calculated as the Zone's total annual assessment times the percentage calculated by dividing the length of the shared portion of road (0.131) by the total roadways length within the Zone.

Tax Year	CSA 35V Total Assessment	Sunrock Proportionate Share to 35V Zone V Total Assessment * 0.0495
2023-2024	\$53,575.20	\$2,651.97

#### **PROPOSITION 218**

Prior to formation of CSA 35V, the Board of Supervisors accepted the Engineer's report, and a public hearing was conducted in accordance with Proposition 218 provisions.

#### MAINTENANCE

No major roadwork was completed in FY 2022-23. For FY 2023-24, the Zone increased appropriations for crack sealing, slurry sealing, other potential roadwork and as a contingency for any unforeseen road maintenance costs or an above average snow season.

#### COUNTY SERVICE AREA 35 ZONE "X" PARCEL MAP 7655 (GOOSEBERRY LANE)

FISCAL YEAR 2023-2024

Submitted By: DEPARTMENT OF PUBLIC WORKS AND PLANNING

Prepared By: RESOURCES DIVISION

County Service Area 35, Zone "X" was formed in 2000 with the first budget in FY 2000-01 to provide maintenance of the included 0.61 miles of private roadway, Gooseberry Lane. This Zone is located south of the Prather area. The Zone originally encompassed Parcel Map 7655 and contained 4 parcels. Annexation 1 was added in July 2003 by Parcel Map 7840 and included .258 miles of private roadways including Gooseberry and Waterleaf Lanes. The annexation contained 4 additional parcels. Annexation 2 was added in March 2005 by Parcel Map 7875 and included .399 miles of private roadways including Gooseberry, Waterleaf and Lynx Lanes. This annexation contained 4 additional parcels. Annexation 3 was added in July 2006 by Certificate of Compliance 3323 and included an extension by 0.07 miles to Gooseberry Lane. This annexation contained 2 additional parcels. Annexation 4 was added in July 2007 by Parcel Map 7957 and included an extension to Gooseberry Lane. This annexation contained 4 additional parcels. The Zone now contains 18 total parcels.

#### **PROPOSITION 218**

Prior to formation of CSA 35X, the Board of Supervisors accepted the Engineer's report, and a public hearing was conducted in accordance with Proposition 218 provisions. There were subsequent annexations to CSA 35X following the same procedure.

#### **MAINTENANCE**

A road failure was repaired in FY 2018-19. In addition, the road zone added additional drainage culverts to eliminate flooding on the roadway. No major roadwork is planned in FY 2023-24. For FY 2023-24, the Zone increased appropriations as a contingency for any unforeseen maintenance costs.

#### COUNTY SERVICE AREA 35 ZONE "Z" ACADEMY KNOLLS

FISCAL YEAR 2023-2024

Submitted By: DEPARTMENT OF PUBLIC WORKS AND PLANNING

Prepared By: RESOURCES DIVISION

County Services Area 35, Zone "Z," was formed in 1990 with the first budget in FY 1991-92 and is located in the Academy Knolls subdivision. This Zone provides road maintenance for 0.32 miles of roadways including E. Richert and E. Ashcroft Avenues. The subdivision is situated on the east side of Academy Avenue between Ashlan and Gettysburg Avenues and encompasses Tract Maps 4166 and 4326. There are currently 18 parcels in this Zone.

#### **PROPOSITION 218**

Prior to formation of CSA 35Z, the Board of Supervisors accepted the Engineer's report and a public hearing was conducted in accordance with Proposition 218 provisions.

#### **MAINTENANCE**

In FY 2013-14 a slurry seal was completed. No major roadwork was completed in FY 2022-23. For FY 2023-24, the Zone increased appropriations as a contingency for any unforeseen maintenance costs.
