The project will include minor grading, improving delineation of the trail, and the improvement of a portion of the trail to ensure Americans with Disabilities Act compliant accessibility between the trailhead parking area and a structure that is utilized as a classroom, approximately 120 feet from the parking area.

The County of Fresno is committed to increasing the availability of employment and training opportunities, and requires that the Contractor and each subcontractor employed on this Project shall use their best efforts to ensure that thirty-three percent (33%) of apprentice hours are performed by qualified participants in state approved apprenticeship programs who also are current or former "Welfare-to-Work" participants in the CalWORKs program. A pre-bid conference will be held at 9:00 a.m., on Wednesday, July 8, 2020. A discussion of the project will be held and the project site will be open for examination. Contractors should meet at the parking area nearest the trail-head, inside of Lost Lake Park, off Friant Road. Attendance at the pre-bid is not mandatory; however, the scheduled pre-bid will be the only opportunity for prospective bidders to visit the site in the presence of County staff, and requests for individual site visits with County staff will not be granted.

Note that the pre-bid meeting will be conducted exclusively out of doors and that attendees will not be requested to sign in or otherwise handle any materials provided or touched by County staff.
