**Subcontractor List:** Subcontracting under this Agreement shall be governed by the California “Subletting and Subcontracting Fair Practices Act” (Chapter 4, commencing at Section 4100, Division 2, Part 1 of the Public Contract Code of the State of California and any amendments thereof). In accordance with the provisions of Public Contract Code Section 4104, each bidder shall list below the name and location of place of business for each subcontractor licensed by the State of California who, under subcontract to the prime contractor, will perform a portion of the contract work in an amount in excess of one-half (1/2) of one percent (1%) of the total contract price. In each such instance the nature of the work to be sublet shall be described.

If a prime contractor fails to specify a subcontractor or if a prime contractor specifies more than one subcontractor for the same portion of work to be performed under the contract in excess of one-half (1/2) of one percent (1%) of the prime contractor’s total bid, Contractor shall be deemed to have agreed that Contractor alone shall perform that portion.

No prime contractor whose bid is accepted shall (a) substitute any subcontractor, (b) permit any subcontractor to be voluntarily assigned or transferred or allow it to be performed by any one other than the original subcontractor listed in the original bid, or (c) sublet or subcontract any portion of the work in excess of one-half (1/2) of one percent (1%) of the prime contractor’s total bid as to which the original bid did not designate a subcontractor, except as authorized in the Subletting and Subcontracting Fair Practices Act. Subletting or subcontracting of any portion of the work in excess of one-half (1/2) of one percent (1%) of the prime contractor’s total bid as to which no subcontractor was designated in the original bid shall only be permitted in cases of public emergency or necessity, only after a finding reduced to writing as a public record of the authority awarding this contract setting forth the facts constituting the emergency or necessity.

**DIR Information:** Pursuant to Labor Code section 1725.5, Within 24 hours of the receipt of bids, the apparent low bidder shall provide the contractor’s license number, and DIR registration number of all subcontractors listed on the Subcontractor List submitted with the Bid. The Contractor and any proposed subcontractors shall not be qualified to submit a bid or to be listed in a bid proposal for the Project unless currently registered and qualified under Labor Code Section 1725.5 to perform public work.

An inadvertent error in listing a subcontractor who is not registered under Labor Code Section 1725.5 shall not be grounds for filing a bid protest or grounds for considering the bid nonresponsive, provided that either: the subcontractor is registered prior to the bid opening; or the subcontractor is registered and has paid the penalty registration fee specified in Labor Code section 1725.5(a)(2)(E), if applicable, within 24 hours after the bid opening; or the subcontractor is replaced by another registered subcontractor under Public Contract Code Section 4107. Failure of a listed subcontractor to be registered shall be grounds under Public Contract Code Section 4107 for the Contractor, with the Owner’s consent, to substitute a registered subcontractor for the unregistered subcontractor.
