

CONFLICT OF INTEREST CODE FOR

Oro Loma Water District
(As amended on January 9, 2012)

The Political Reform Act (Government Code Section 81000, et seq.) requires state and local government agencies to adopt and promulgate conflict-of-interest codes. The Fair Political Practices Commission has adopted a regulation (2 Cal. Code of Regs. Section 18730) that contains the terms of a standard conflict-of-interest code and may be incorporated by reference in an agency's code. After public notice and hearing, the standard code may be amended by the Fair Political Practices Commission to conform to amendments in the Political Reform Act. Therefore, the terms of 2 California Code of Regulations Section 18730 and any amendments to it duly adopted by the Fair Political Practices Commission are hereby incorporated by reference. This regulation and the attached Appendices designating positions and establishing disclosure requirements shall constitute the conflict-of-interest code of the **Oro Loma Water District (District)**.

Individuals holding designated positions shall file their statements with the **District**, which will retain the statements and make the statements available for public inspection and reproduction. (Gov. Code Section 81008.) Upon receipt of the statements for the filing officer and board members, the **District** shall make and retain a copy and forward the original of these statements to the Clerk to the Fresno County Board of Supervisors.

The provisions of all Conflict of Interest Codes and amendments thereto previously adopted by the Agency are hereby superseded.
