

RAISIN CITY WATER DISTRICT
CONFLICT OF INTEREST CODE

The Political Reform Act (Government Code Section 81000, et seq.) requires state and local government agencies to adopt and promulgate conflict of interest codes. The Fair Political Practices Commission has adopted a regulation (2 California Code of Regulations, Section 18730) which contains the terms of a standard conflict of interest code, which can be incorporated by reference in an agency's code. After public notice and hearing it may be amended by the Fair Political Practices Commission to conform to amendments in the Political Reform Act. Therefore, the terms of 2 California Code of Regulations Section 18730 (attached hereto as Attachment A) and any amendments duly adopted by the Fair Political Practices Commission are hereby incorporated by reference. This regulation and the attached Appendix designating officials and employees and establishing disclosure requirements shall constitute the conflict of interest code of Raisin City Water District.

Individuals holding designated positions shall file their statements with the Secretary of the District, which will retain the statements and make the statements available for public inspection and reproduction. (Gov. Code Section 81008.) Upon receipt of the statements from individuals who serve as directors on the board of the District, the Secretary shall make and retain a copy and forward the original of these statements to the Clerk of the Fresno County Board of Supervisors.
