JUVENILE CORRECTIONAL OFFICER I

DEFINITION:

Under immediate supervision, performs control room activities and functions; transports, supervises, and counsels minors detained or committed to the Juvenile Justice Campus or Elkhorn Correctional Facility; supervises minors on-site or in the community; and performs related work as required.

DISTINGUISHING CHARACTERISTICS:

The Probation Department, headed by the Chief Probation Officer, combines several state-mandated, interrelated functions oriented to the investigation, evaluation, sentencing, and supervision of adult and juvenile offenders.

The Juvenile Correctional Officer classification series is used throughout the Probation Department and is utilized to maintain institutional security, supervision of minor or adult offenders on-site or in the community, minor and staff safety, perform control room activities and functions, transport minors, and to provide other services and support to institutional programs. All Juvenile Correctional Officers are designated as Peace Officers pursuant to P.C. 830.5. Consistent with the Penal Code and at the direction of the Chief Probation Officer, Juvenile Correctional Officer incumbents may be required to maintain and use a firearm while on duty.

Juvenile Correctional Officer I is the entry-level classification in the Juvenile Correctional Officer classification series. Juvenile Correctional Officer I differs from Juvenile Correctional Officer II in which incumbents are fully trained in the supervision and counseling of detained/committed minors; assignments at the Juvenile Correctional Officer I level are subject to close review while in progress and upon completion.

Incumbents of the Juvenile Correctional Officer classification series must possess the following attributes: ability to establish rapport with persons of differing ethnic and socio-economic backgrounds; good oral and written communication skills; the ability to physically restrain minors and maintain visual and auditory observance of minors behavior; ability to work in a frequently hostile, unpredictable, and unpleasant environment; ability to view video surveillance monitors and listen to and understand two-way radio and intercom surveillance communications for extended periods of time; ability to keenly observe and provide detailed and accurate descriptions of observations; ability to firmly enforce rules and regulations; ability to work in darkened and enclosed areas for extended periods of time; ability to adapt quickly and effectively to emergency situations; and a high degree of maturity, integrity, emotional stability, and good judgment.

SAMPLES OF DUTIES:

The information listed below is meant to serve as samples of job duties and responsibilities for positions in this classification.
