8. Requirements for Day Treatment Intensive and Day Rehabilitation

- A. The Contractor shall require providers to request payment authorization for day treatment intensive and day rehabilitation services:
 - 1) In advance of service delivery when day treatment intensive or day rehabilitation will be provided for more than five days per week.
 - 2) At least every three months for continuation of day treatment intensive.
 - 3) At least every six months for continuation of day rehabilitation.
 - 4) Contractor shall also require providers to request authorization for mental health services, as defined in Cal. Code Regs., tit. 9, § 1810.227, provided concurrently with day treatment intensive or day rehabilitation, excluding services to treat emergency and urgent conditions as defined in Cal. Code Regs., tit. 9, §1810.216 and § 1810.253. These services shall be authorized with the same frequency as the concurrent day treatment intensive or day rehabilitation services.

- B. The Contractor shall not delegate the payment authorization function to providers. When the Contractor is the day treatment intensive or day rehabilitation provider, the Contractor shall assure that the payment authorization function does not include staff involved in the provision of day treatment intensive, day rehabilitation services, or mental health services provided concurrent to day treatment intensive or day rehabilitation services.

- C. The Contractor shall require that providers of day treatment intensive and day rehabilitation meet the requirements of Cal. Code Regs., tit. 9, §§ 1840.318, 1840.328, 1840.330, 1840.350 and 1840.352.

- D. The Contractor shall require that providers include, at a minimum, the following day treatment intensive and day rehabilitation service components:
 - 1) Community meetings. These meetings shall occur at least once a day to address issues pertaining to the continuity and effectiveness of the therapeutic milieu, and shall actively involve staff and beneficiaries. Relevant discussion items include, but are not limited to: the day's schedule, any current event, individual issues that beneficiaries or staff wish to discuss to elicit support of the group and conflict resolution. Community meetings shall:
 - a) For day treatment intensive, include a staff person whose scope of practice includes psychotherapy.
 - b) For day rehabilitation, include a staff person who is a physician, a licensed/waivered/registered psychologist, clinical social worker, or

Exhibit A Attachment I
Service, Administrative and Operational Requirements

marriage and family therapist; and a registered nurse, psychiatric technician, licensed vocational nurse, or mental health rehabilitation specialist.

- 2) Therapeutic milieu. This component must include process groups and skill-building groups. Specific activities shall be performed by identified staff and take place during the scheduled hours of operation of the program. The goal of the therapeutic milieu is to teach, model, and reinforce constructive interactions by involving beneficiaries in the overall program. For example, beneficiaries are provided with opportunities to lead community meetings and to provide feedback to peers. The program includes behavior management interventions that focus on teaching self-management skills that children, youth, adults and older adults may use to control their own lives, to deal effectively with present and future problems, and to function well with minimal or no additional therapeutic intervention. Activities include, but are not limited to, staff feedback to beneficiaries on strategies for symptom reduction, increasing adaptive behaviors, and reducing subjective distress.
- 3) Process groups. These groups, facilitated by staff, shall assist each beneficiary to develop necessary skills to deal with his/her problems and issues. The group process shall utilize peer interaction and feedback in developing problem-solving strategies to resolve behavioral and emotional problems. Day rehabilitation may include psychotherapy instead of process groups, or in addition to process groups.
- 4) Skill-building groups. In these groups, staff shall help beneficiaries identify barriers related to their psychiatric and psychological experiences. Through the course of group interaction, beneficiaries identify skills that address symptoms and increase adaptive behaviors.
- 5) Adjunctive therapies. These are therapies in which both staff and beneficiaries participate. These therapies may utilize self-expression, such as art, recreation, dance, or music as the therapeutic intervention. Participants do not need to have any level of skill in the area of self-expression, but rather be able utilize the modality to develop or enhance skills directed toward achieving beneficiary plan goals. Adjunctive therapies assist the beneficiary in attaining or restoring skills which enhance community functioning including problem solving, organization of thoughts and materials, and verbalization of ideas and feelings. Adjunctive therapies provided as a component of day rehabilitation or day treatment intensive are used in conjunction with other mental health services in order to improve the outcome of those services consistent with the beneficiary's needs identified in the client plan.

E. Day treatment intensive shall additionally include:

Exhibit A Attachment I

Service, Administrative and Operational Requirements

- 1) Psychotherapy. Psychotherapy means the use of psychological methods within a professional relationship to assist the beneficiary or beneficiaries to achieve a better psychosocial adaptation, to acquire a greater human realization of psychosocial potential and adaptation, to modify internal and external conditions that affect individual, groups, or communities in respect to behavior, emotions and thinking, in respect to their intrapersonal and interpersonal processes. Psychotherapy shall be provided by licensed, registered, or waived staff practicing within their scope of practice. Psychotherapy does not include physiological interventions, including medication intervention.
 - 2) Mental Health Crisis Protocol. The Contractor shall ensure that there is an established protocol for responding to beneficiaries experiencing a mental health crisis. The protocol shall assure the availability of appropriately trained and qualified staff and include agreed upon procedures for addressing crisis situations. The protocol may include referrals for crisis intervention, crisis stabilization, or other specialty mental health services necessary to address the beneficiary's urgent or emergency psychiatric condition (crisis services). If the protocol includes referrals, the day treatment intensive or day rehabilitation program staff shall have the capacity to handle the crisis until the beneficiary is linked to an outside crisis service.
 - 3) Written Weekly Schedule. The Contractor shall ensure that a weekly detailed schedule is available to beneficiaries and as appropriate to their families, caregivers or significant support persons and identifies when and where the service components of the program will be provided and by whom. The written weekly schedule will specify the program staff, their qualifications, and the scope of their services.
- F. Staffing Requirements. Staffing ratios shall be consistent with the requirements in Cal. Code Regs., tit. 9, § 1840.350, for day treatment intensive, and Cal. Code Regs., tit. 9, § 1840.352 for day rehabilitation. For day treatment intensive, staff shall include at least one staff person whose scope of practice includes psychotherapy.
- 1) Program staff may be required to spend time on day treatment intensive and day rehabilitation activities outside the hours of operation and therapeutic program (e.g., time for travel, documentation, and caregiver contacts).
 - 2) The Contractor shall require that at least one staff person be present and available to the group in the therapeutic milieu for all scheduled hours of operation.
 - 3) The Contractor shall require day treatment intensive and day rehabilitation programs to maintain documentation that enables

Exhibit A Attachment I

Service, Administrative and Operational Requirements

Contractor and the Department to audit the program if it uses day treatment intensive or day rehabilitation staff who are also staff with other responsibilities (e.g., as staff of a group home, a school, or another mental health treatment program). The Contractor shall require that there is documentation of the scope of responsibilities for these staff and the specific times in which day treatment intensive or day rehabilitation activities are being performed exclusive of other activities.

- G. If a beneficiary is unavoidably absent and does not attend all of the scheduled hours of the day rehabilitation or day treatment intensive program, the Contractor shall ensure that the provider receives Medi-Cal reimbursement only if the beneficiary is present for at least 50 percent of scheduled hours of operation for that day. The Contractor shall require that a separate entry be entered in the beneficiary record documenting the reason for the unavoidable absence and the total time (number of hours and minutes) the beneficiary actually attended the program that day. In cases where absences are frequent, it is the responsibility of the Contractor to ensure that the provider re-evaluates the beneficiary's need for the day rehabilitation or day treatment intensive program and takes appropriate action.
- H. Documentation Standards. The Contractor shall ensure day treatment intensive and day rehabilitation documentation meets the documentation standards described in Section 11 of this exhibit. The documentation shall include the date(s) of service, signature of the person providing the service (or electronic equivalent), the person's type of professional degree, licensure or job title, date of signature and the total number of minutes/hours the beneficiary actually attended the program. For day treatment intensive these standards include daily progress notes on activities and a weekly clinical summary reviewed and signed by a physician, a licensed/waivered/registered psychologist, clinical social worker, or marriage and family therapist, or a registered nurse who is either staff to the day treatment intensive program or the person directing the services.
- I. The Contractor shall ensure that day treatment intensive and day rehabilitation have at least one contact per month with a family member, caregiver or other significant support person identified by an adult beneficiary, or one contact per month with the legally responsible adult for a beneficiary who is a minor. This contact may be face-to-face, or by an alternative method (e.g., e-mail, telephone, etc.). Adult beneficiaries may decline this service component. The contacts should focus on the role of the support person in supporting the beneficiary's community reintegration. The Contractor shall ensure that this contact occurs outside hours of operation and outside the therapeutic program for day treatment intensive and day rehabilitation.
- J. Written Program Description. The Contractor shall ensure there is a written program description for day treatment intensive and day rehabilitation. The written program description must describe the specific activities of each service and reflects each of the required components of the services as described in this

Exhibit A Attachment I
Service, Administrative and Operational Requirements

section. The Contractor shall review the written program description for compliance with this section with prior to the date the provider begins delivering day treatment intensive or day rehabilitation.

- K. Additional higher or more specific standards. The Contractor shall retain the authority to set additional higher or more specific standards than those set forth in this contract, provided the Contractor's standards are consistent with applicable state and federal laws and regulations and do not prevent the delivery of medically necessary day treatment intensive and day rehabilitation.
- L. Continuous Hours of Operation. The Contractor shall ensure that the provider applies the following when claiming for day treatment intensive and day rehabilitation services:
- 1) A half day shall be billed for each day in which the beneficiary receives face-to-face services in a program with services available four hours or less per day. Services must be available a minimum of three hours each day the program is open.
 - 2) A full-day shall be billed for each day in which the beneficiary receives face-to-face services in a program with services available more than four hours per day.
 - 3) Although the beneficiary must receive face to face services on any full-day or half-day claimed, all service activities during that day are not required to be face-to-face with the beneficiary.
 - 4) The requirement for continuous hours or operation does not preclude short breaks (for example, a school recess period) between activities. A lunch or dinner may also be appropriate depending on the program's schedule. The Contractor shall not conduct these breaks toward the total hours of operation of the day program for purposes of determining minimum hours of service.

9. Therapeutic Behavioral Services

Therapeutic Behavioral Services (TBS) are supplemental specialty mental health services covered under the Early and Periodic Screening, Diagnosis and Treatment (EPSDT) benefit as defined in Cal. Code Regs., tit. 9, § 1810.215. TBS are intensive, one-to-one services designed to help beneficiaries and their parents/caregivers manage specific behaviors using short-term measurable goals based on the beneficiary's needs. TBS are available to beneficiaries in accordance with the Department of Mental Health Information Notice 08-38, the TBS Coordination of Care Best Practices Manual, version 2 (October 2010), and the TBS Documentation Manual, version 2 (October 2009).

D. Expedited Appeal Process

"Expedited Appeal" means an appeal, as defined in Cal. Code Regs., tit. 9, § §§ 1810.203.5 and 1810.216.2, to be used when the mental health plan determines or the beneficiary and/or the beneficiary's provider certifies that following the timeframe for an appeal as established in Cal. Code Regs., tit. 9, § 1850.207, would seriously jeopardize the beneficiary's life, health, or ability to attain, maintain, or regain maximum function. In addition to meeting the requirements of 42 C.F.R. § 438.410(a), and Cal. Code Regs., tit. 9, §§ 1850.205, 1850.207(a), (d), (e), (f), (g), and (i), and 1850.208, the expedited appeal process shall, at a minimum:

- 4) Pursuant to 42 C.F.R. § 438.408(b)(3), resolve an expedited appeal and notify the affected parties in writing, no later than three working days after

Exhibit A Attachment I

Service, Administrative and Operational Requirements

the Contractor receives the appeal. Pursuant to 42 C.F.R. § 438.408(c) this timeframe may be extended by up to 14 calendar days if the beneficiary requests an extension, or the Contractor determines that there is need for additional information and that the delay is in the beneficiary's interest. If the Contractor extends the timeframes, the Contractor shall, for any extension not requested by the beneficiary, notify the beneficiary of the extension and the reasons for the extension in writing. The written notice of the extension is not a Notice of Action as defined in Cal. Code Regs., tit. 9, § 1810.230.5.

- 5) Pursuant to 42 C.F.R. § 438.408(d)(2), provide a beneficiary with a written notice of the expedited appeal disposition and make reasonable efforts to provide oral notice to the beneficiary and/or his or her representative. The written notice shall meet the requirements of Section 1850.207(h).
- 6) Pursuant to 42 C.F.R. § 438.410(c), if the Contractor denies a request for expedited appeal resolution:
 - a) Transfer the expedited appeal request to the timeframe for appeal resolution as required by Cal. Code Regs., tit. 9, § 1850.207(c).
 - b) Make reasonable efforts to give the beneficiary and his or her representative prompt oral notice of the denial of the request for an expedited appeal and provide written notice within two calendar days of the date of the denial. The written notice of the denial of the request for an expedited appeal is not a Notice of Action as defined in Cal. Code Regs., tit. 9, § 1810.230.5.

E. Beneficiary Problem Resolution Processes Established by Providers

Nothing in the Cal. Code Regs., tit. 9, §§ 1850.205, 1850.206, 1850.207, 1850.208 and 1850.209 precludes a provider other than the Contractor from establishing beneficiary problem resolution processes for beneficiaries receiving services from that provider. When such processes exist, beneficiaries shall not be required by the Contractor to use or exhaust the provider's processes prior to using the Contractor's beneficiary problem resolution process, unless the following conditions have been met:

- 1) The Contractor delegates the responsibility for the beneficiary problem resolution process to the provider in writing, specifically outlining the provider's responsibility under the delegation;
- 2) The provider's beneficiary problem resolution process fully complies with this Section of the contract, the relevant provisions of 42 C.F.R. Subpart F, Cal. Code Regs., tit. 9, §1850.205 and § 1850.209, and depending on processes delegated, Cal. Code Regs., tit. 9, §§ 1850.206, 1850.207, and/or 1850.208; and

Exhibit A Attachment I

“Fair Hearing” means the State hearing provided to beneficiaries pursuant to Title 22, CCR, Sections 50951 and 50953 and Cal. Code Regs., tit. 9, § 1810.216.6. Fair hearings must comply with 42 C.F.R. §§ 431.220(a)(5), 438.408(f), 438.414, and 438.10(g)(1).

- 1) If a beneficiary requests a State Fair Hearing, the Department (not the Contractor) shall grant the request. The right to a State Fair Hearing, how to obtain a hearing, and representation rules at a hearing must be explained to the beneficiary and provider by Contractor in its notice of decision or notice of action. Beneficiaries and providers shall also be informed of the following:
 - a) A beneficiary may request a State Fair Hearing.
 - b) The provider may request a State Fair Hearing only if the Department permits the provider to act as the beneficiary's authorized representative.
 - c) The Department must permit the beneficiary to request a State Fair Hearing within a reasonable time period specified by the Department, not in excess of 90 days, from whichever of the following dates applies:
 - i. From the date indicated on the Contractor's notice of action, if the Department does not require exhaustion of the Contractor-level appeal procedures and the beneficiary appeals directly to the Department for a fair hearing.
 - ii. From the date indicated on the Contractor's notice of resolution, if the Department requires exhaustion of Contractor-level appeals.
- 2) The Department must reach its decisions within the specified timeframes:
 - a) Standard resolution: within 90 days of the date the beneficiary filed the appeal with the Contractor, if the beneficiary filed initially with the Contractor (excluding the days the beneficiary took to subsequently file for a State Fair Hearing), or the date the beneficiary filed for direct access to a State Fair Hearing.

Exhibit A Attachment I

Service, Administrative and Operational Requirements

- b) Expedited resolution (if the appeal was heard first through the Contractor appeal process): within 3 working days from agency receipt of a hearing request for a denial of a service that:
 - i. Meets the criteria for an expedited appeal process but was not resolved using the Contractor's expedited appeal timeframes, or
 - ii. Was resolved wholly or partially adversely to the beneficiary using the Contractor's expedited appeal timeframes.
- 3) Pursuant to 42 C.F.R. § 438.408(f)(2), the parties to the State Fair Hearing include the Contractor as well as the beneficiary and his or her representative or the representative of a deceased beneficiary's estate.

G. Expedited Fair Hearing

"Expedited Fair Hearing" means a fair hearing, as described in 42 C.F.R. § 438.410(a), and Cal. Code Regs., tit. 9, §§ 1810.216.4 and 1810.216.6, to be used when the Contractor determines, or the beneficiary and/or the beneficiary's provider certifies, that the following the timeframe for a fair hearing as established in 42 C.F.R. § 431.244(f)(1) would seriously jeopardize the beneficiary's life, health, or ability to attain, maintain, or regain maximum function.

H. Continuation of Services Pending Fair Hearing Decision

- 1) A beneficiary receiving specialty mental health services shall have a right to file for continuation of specialty mental health services pending the outcome of a fair hearing pursuant to Cal. Code Regs., tit. 22., § 51014.2, and Cal. Code Regs., tit. 9, § 1850.215.
- 2) The Contractor shall continue to provide specialty mental health services pending the outcome of a fair hearing in accordance with Cal. Code Regs., tit. 22, § 51014.2. If the Contractor allows providers to deliver specialty mental health services for a set number of visits or a set duration of time without prior authorization, the Contractor shall continue to provide specialty mental health services pending the outcome of a fair hearing when the Contractor denies a payment authorization request from a provider requesting continuation of services beyond the number or duration permitted without prior authorization and the beneficiary files a timely request for fair hearing.
- 3) Before requesting a state fair hearing, the beneficiary must exhaust the Contractor's problem resolution processes as described in Cal. Code Regs., tit. 9, § 1850.205.

- 5) A NOA is not required when a denial is a non-binding verbal description to a provider of the specialty mental health services that may be approved by the Contractor.
- 6) A NOA is not required when the Contractor modifies the duration of any approved specialty mental health services as long as the Contractor provides an opportunity for the provider to request Contractor payment authorization of additional specialty mental health services before the end of the approved duration of services.

Exhibit A Attachment I

Service, Administrative and Operational Requirements

payment authorization for a specialty mental health service that has already been provided to the beneficiary.

- 8) A NOA is required when the Contractor denies or modifies a payment authorization request from a provider for a specialty mental health service that has already been provided to the beneficiary when the denial or modification is a result of post-service, prepayment determination by the Contractor that the service was not medically necessary or otherwise was not a service covered by the Contractor.
- 9) The Contractor shall deny the Contractor payment authorization request and provide the beneficiary with a NOA when the Contractor does not have sufficient information to approve or modify, or deny on the merits, a Contractor payment authorization request from a provider within the timeframes required by Cal. Code Regs., tit. 9, §§ 1820.220 or 1830.215.
- 10) The Contractor shall provide the beneficiary with a NOA if the Contractor fails to notify the affected parties of a grievance decision within 60 calendar days, of an appeal decision within 45 days, or of an expedited appeal decision within three working days. A NOA is not required when a provider, including the Contractor acting as a provider, determines that a beneficiary does not qualify for a specific service covered by the Contractor, including but not limited to: crisis intervention, crisis stabilization, crisis residential treatment services, psychiatric inpatient hospital services, or any specialty mental health service to treat a beneficiary's urgent condition, provided that the determination does not apply to any other specialty mental health service covered by the Contractor. The NOA shall, at the election of the Contractor, be hand-delivered to the beneficiary on the date of the action or mailed to the beneficiary in accordance with Cal. Code Regs., tit. 9, § 1850.210(f)(1), and shall specify the information contained in Cal. Code Regs., tit. 9, § 1850.212(b).

- A. Part I, HIPAA Business Associate Addendum, which provides for the privacy and security of PHI.
- B. Part II, which provides for the privacy and security of PI in accordance with specified provisions of the IEA and the Computer Matching and Privacy Protection Act Agreement between the Social Security Administration and the California Health and Human Services Agency (Computer Agreement) to the extent Contractor access, receives, or transmits PI under these Agreements. Exhibit F, Part II, further provides for the privacy and security of PI as defined under Civil Code §§ 1798.3(a) and 1798.29. These terms of the California Information Practices Act (CIPA) are included here because they do not apply to counties directly, and the statute requires the Department to contractually extend these CIPA terms to contractors if they use the Department’s PI to accomplish a function for the Department.
- C. Part III, Miscellaneous Provision, sets forth additional terms and conditions that extend to the provisions of Exhibit F in its entirety.

- b) Notice shall be provided to the Department Program Contract Manager and the Department Information Security Officer. If the incident occurs after business hours or on a weekend or holiday and involves electronic PHI, notice shall be provided by calling the Department Information Security Officer. If the Department requests information in addition to that listed on the “Privacy Incident Report” form, Contractor shall make reasonable efforts to provide the Department with such information. If, because of the circumstances of the incident, Contractor needs more than ten(10) working days from the discovery to submit a complete report, the Department may grant a reasonable extension of time, in which case Contractor shall submit periodic updates until the complete report is submitted. If necessary, a Supplemental Report may be used to submit revised or additional information after the completed report is submitted, by submitting the revised or additional information on an updated “Privacy Incident Report” form. The Department will review and approve the determination of whether a breach occurred and individual notifications are required, and the corrective action plan.

The report shall also include a full, detailed corrective action plan, including information on measures that were taken to halt and/or contain the improper use or disclosure. If the Department requests information in addition to that listed on the “Privacy Incident Report” form, Contractor shall make reasonable efforts to provide the Department with such information. If, because of the circumstances of the incident, Contractor needs more than ten(10) working days from the discovery to submit a complete report, the Department may grant a reasonable extension of time, in which case Contractor shall submit periodic updates until the complete report is submitted. If necessary, a Supplemental Report may be used to submit revised or additional information after the completed report is submitted, by submitting the revised or additional information on an updated “Privacy Incident Report” form. The Department will review and approve the determination of whether a breach occurred and individual notifications are required, and the corrective action plan.

The Department makes no warranty or representation that compliance by Contractor with this Exhibit F, HIPAA or the HIPAA regulations will be adequate or satisfactory for Contractor's own purposes or that any information in Contractor's possession or control, or transmitted or received by Contractor, is or will be secure from unauthorized use or disclosure. Contractor is solely responsible for all decisions made by Contractor regarding the safeguarding of the Department PHI.

2. Amendment

A. The parties acknowledge that federal and state laws relating to electronic data security and privacy are rapidly evolving and that amendment of this Exhibit F may be required to provide for procedures to ensure compliance with such developments. The parties specifically agree to take such action as is necessary to implement the standards and requirements of HIPAA, the HITECH Act, and the HIPAA regulations. Upon either party's request, the other party agrees to promptly enter into negotiations concerning an amendment to this Exhibit F embodying written assurances consistent with the standards and requirements of HIPAA, the HITECH Act, and the HIPAA regulations. Contractor shall promptly remedy any violation of any provision of this Exhibit F. The fact that the Department inspects, or fails to inspect, or has the right to inspect, Contractor's facilities, systems and procedures does not relieve Contractor of its responsibility to comply with this Exhibit F. The Department's failure to detect a non-compliant practice, or a failure to report a detected non-compliant practice to Contractor does not constitute acceptance of such practice or a waiver of the Department's enforcement rights under this Agreement, including this Exhibit F.

12. Due Diligence

Contractor shall exercise due diligence and shall take reasonable steps to ensure that it remains in compliance with this Exhibit F and is in compliance with applicable provisions of HIPAA, the HITECH Act and the HIPAA regulations, and that its agents, subcontractors and vendors are in compliance with their obligations as required by this Exhibit F.
