Highlights

I. CalOMS Data

• Admission Data

Dennis gave out provider specific admission reports with breakdown of admissions and referral source. Percentages based on the 1st quarter of fiscal year.

• Completion Rates

Raw data was given out and it was asked for providers to check for accurate detail. Board of Supervisors will be seeing the report in February for contract renewals. Reports will be e-mailed to providers for review. Add comments to e-mail and send out.

II. Counselor Competency Survey

Surveys were e-mailed out and staff went over the survey for this year. Surveys will need to be e-mailed back. The survey has drop down fields to stay consistent. Need back by November 30th.

III. Annual Random Client Survey - Dennis

The State is requiring client survey's be conducted in a defined week. The surveys will be ½ sheet with about 3-4 questions. This is part of the State contract to conduct client surveys.

IV. Prop. 36 Client Fee-Based Services - Dennis

There is an opportunity to draw federal assistance to back fill the Prop. 36 funds. Also looking into a fee-based service
