

Treatment Provider Meeting
January 6, 2010
Highlights

For December Claims, it was asked that providers don't do anything different on the Drug Medi-Cal Forms.

Prevention Services RFP should be out around February. E-mail notification will go out then Purchasing will post on their website. Will make sure Strategic Plan is posted on website.

JAG-OTP

Will be taking OTP Plan before the Board of Supervisors on February 2, 2010. Prop. 36 is now OTP and JAG-OTP. Will be adjusting contracts to reflect reductions in funding.

OUTCOMES

1st Quarter will be put together to report back to make corrections from Providers before going to the Board of Supervisors. We will be developing a Board Briefing Report to the BOS and will post on webpage.

CLIENT SATISFACTION SURVEY

We will be designating a week to do client surveys for each program. Need help in getting information on type of service. Could send out to providers via e-mail.

HEALTH CARE REFORM

Gave a handout on the NiaTx Webinar. Substance Abuse and Mental Health has not changed in any of the health care bills. Requesting providers to follow closely through the webinars.

Will be conducting a discussion group for client-fee services.
