

**Provider Meeting
March 3, 2010
Highlights**

Betty introduced Ike Grewal as our new analyst. Providers should have received notice of who Ike will be responsible for.

CalOMS Data – Completion Rates

Dennis stated that we are working on a Board Brief Report for contracts that have auto renewal to show outcomes to treatment services and will specify funds spent and will be doing data comparisons. Dennis gave out CalOMS completion rates comparisons. Will be going to the Board of Supervisors by the end of March.

Client Satisfaction Survey

Dennis thank those programs who submitted their surveys. For those who had not sent in, please do so as soon as possible.

Contract Amendments – Prop. 36 Reductions

Elimination of Prop. 36, OTP, BJ-OTP funds will occur by June 30th. If funds come back, then the competitive bid remains in effect.

Client Fee-based Services Providers List

Dennis will be meeting with Probation, and Courts to distribute lists.
