

PROVIDER MEETING
APRIL 7, 2010

HIGHLIGHTS

I. CALOMS LOG ON (For Web-based Training)

Web-based training will give a general overview of how important to track client services within the programs. The training also makes reference to manually make questions more uniform. Contact Lisa Ruiz to get log-on.

II. CALOMS PROVIDER REPORTS

There is a pilot with ADP to get providers running their own CalOMS reports. A form has been provided to providers to Fill out to receive a log on to run the reports. Only one person from each agency will be allowed to access.

III. CALOMS LENGTH OF STAY/COMPLETION RATES

Discussed CalOMS data with providers

IV. CONTRACT AMENDMENTS

Contract amendments will be coming out for the loss of Burn-Jag OTP/Prop. 36 funds.

V. PREVENTION RFP

April 8th will be the last day for questions. RFP closes on 4/20/10

VI. TRANSFER RATE PROJECT (UCLA)

Will be sending out projet information.. May need to do some kind of authorization. Looking for a large pool of potential clients that are Medi- Cal. Add Federal Funds identify and screen for referrals.
