

**Treatment Providers Meeting
July 6, 2010**

Highlights

1. Prevention Services Contracts

We will be going to the Board on July 13th. One of the proposals did not receive a positive bid so that service (Marijuana Use) may be sent back out or kept in-house. We will also be looking at outcomes for Prevention Services.

2. Year End Cost Report

Jim stated that the cost reports for DMC will be sent out later this month. He also stated that the cost reports will need to be submitted by the due date unless there has been communication to extend. If no communication or reports received late, payments will be held.

3. CalOMS-Referral Source and Discharge Criteria

Gave providers a screenshot of the CalOMS Admissions/Discharge window and asked providers to look at drop down box for referral source. Ask providers for input on adding any additional drop downs.

4. SAS Bulletin

For DMC services, providers cannot charge an additional fee and is able to accept out-of-county clients. Reference to SAS Bulletin #11-01.

5. July Billing for Drug Medi-Cal/Non-Drug Medi-Cal (SAIS)

We are asking providers to not bill for July services until notified.

6. DVD/Video Library

We have dvd's/video's available for providers to use for client services. We will be developing a check out system and will post titles on the website.

7. Provider List – Assessments Prop. 36

Adam Balto and Brian Bradley will continue to do Prop. 36 referrals through the Assessment Center.
