

**TREATMENT PROVIDER MEETING
OCTOBER 1, 2008**

HIGHLIGHTS

1. State Approved Drug Medi-Cal Rates

Provided new Drug Medi-Cal Rate sheet and stated that rates have increased. County is asking providers to resubmit billing for July, August and September. October billing will have the new rates uploaded into the system.

2. SAIS Upload

Specifications have been sent to Agency contacts. Will follow-up with conference call which should be scheduled by next week.

3. State 385 Data Reporting

Have made available for providers to see actions (denials, etc.). File will be created for providers to review and provide training on how to utilize data. Agency financial person will be able to run report for the year or month.

4. CalOMS

Provided handout which gave more clarification on CalOMS questions specifically regarding referrals and discharge. Providers can request training with our IT people if needed. Will check on referral into aftercare from probation while client is still on Prop. 36.
