

FRESNO COUNTY

GENERAL PLAN REVIEW & ZONING ORDINANCE UPDATE COMMUNITY MEETINGS

The County of Fresno is undertaking a Review and Revision of its General Plan (Plan) and initiating a comprehensive update of its Zoning Ordinance. The purpose of the Plan Review and Revision is to examine goals, policies and implementation programs of applicable elements of the Plan to reflect the changed conditions and priorities, and to make appropriate revisions.

The Zoning Ordinance, which serves as one tool for implementing policies and programs of the General Plan is being comprehensively updated concurrently with the General Plan Review to address specific regulations for implementing new Plan programs aimed at addressing State laws affecting the Plan.

Community meetings will be held at each supervisorial district in November and December to inform the public of the project and to solicit comments. The public is encouraged to attend one or all of the meetings and be part of the process.
