On August 22, 2019 the Fresno County Department of Public Health, Environmental Health Division, acting as the LEA received a Solid Waste Facility Permit (SWFP) application package for the City of Clovis Landfill. The SWFP application package requested to amend the Report of Facility Information (RFI).

The RFI amendment addresses the following changes:

1. Utilize Construction and Demolition (C&D) debris fines material as Alternative Daily Cover
2. Utilize wood chips as beneficial reuse for operational purposes especially during wet weather seasons
3. Accept the disposal of non-friable asbestos strictly from City of Clovis related projects
4. Update the City of Clovis Landfill facility personnel organization

The LEA has determined the proposed RFI amendment meets the requirements of Title 27 California Code of Regulations (CCR) section 21665 (c) (1)(2)(3).

A copy of the SWFP application package is on file and available for public review from 8:00 AM to 5:00 PM at the Fresno County Department of Public Health, Environmental Health Division, located at 1221 Fulton Street Fresno, CA 93721. Information regarding the RFI amendment can be obtained by contacting the Environmental Health Division at (559)600-3271.
