HALLOWEEN & COVID-19

TIPS FOR HOW YOU AND YOUR FAMILY CAN STAY SAFE THIS HALLOWEEN

CELEBRATE WITH YOUR HOUSEHOLD
Avoid parties and gatherings. Staying home is the best thing you can do to stay safe this Halloween. You can still enjoy Halloween by decorating and planning fun activities at home.

WEAR A MASK
If you choose to trick-or-treat or trunk-or-treat, wear a cloth mask. Costume masks are not a substitute for cloth masks as they may not provide you with proper protection.

KEEP A SAFE DISTANCE
When outside, make sure to stay 6 feet away from others at all times. Avoid any crowded areas and any places where you can't physically distance.

HANDING OUT CANDY THIS YEAR?
1. Set up outside to avoid having people knock on your door
2. Wear gloves when handing out candy
3. No grab bowls
